Mr Ernest Thomas Bost Married Thursday to Miss Zula A. Hinshaw in Greensboro. Leave for a Trip to Florida.

A wedding in which all Concord and Cabarrus is interested was solemnized in Greensboro on Thursday afternoon at 4 o'clock when Miss Zula A. Hinshaw became the bride of Mr Ernest Thomas Bost, of Bost Mill, this county. The ceremony took place at the home of the bride's uncle, Mr J. A. Odell, being performed by Rev. G. H. Detwiler of the M. E. Church. The Record in its account of the wedding says:

While Elam's orchestra played Mendelssohn's wedding march the party entered, Dr Detwiler coming first, followed by Mr C. E. Boger, of Concord, with Lena Stevens, of Concord. Next came the bride's sister, Miss Mary Hinshaw, who acted as maid of honor. She preceded the groom and his best man, Mr Jos. F. Cannon, of Concord, followed by the bride, leaning upon the arm of her uncle, Mr James A. Odell, who gave her away.

The bride wore brocaded satin with real duchess lace and diamonds and pearls. Her veil was caught up with orange blossoms and she carried bride's roses. The costume of the maid of honor was blue silk voile over taffeta with white lace trimmings and diamond pearl ornaments. Miss Stevens was attired in white organdie over blue taffeta, pearl ornaments. The maid of honor and Miss Stevens both carried pink carnations. Mrs. James A. Odell wore black brocade granadine over white taffeta, with diamond ornaments.

Following the ceremony an elegant wedding reception occurs, the hours being from 4:30 to 9 o'clock this evening. Elam's orchestra will discourse sweet music throughout.

The library is a most elaborate array of useful and handsome presents, notable among them being a chest of silver, the gift of Mr and Mrs James A. Odell.

The bride and groom will leave on train No. 29 at 7:05 this evening for a bridal trip to Palm Beach and other points in Florida, and they will be at home after March 1st at Bost's Mill, eight miles from Concord, where the groom is a successful and progressive young business man.

The bride is a native of Randolph county, but has made her home with Mr and Mrs Odell here for the past seven years. She is an accomplished and lovable young woman and much admired by all who knew her. She graduated at Greensboro Female College in the class of 1903.

Accused of Poisoning Husband for Insurance.

Jackson, Miss., Feb. 8.—The Wilkinson county grand jury has returned an indictment against Mrs W. C. Stewart, on the charge of poisoning her husband, the alleged motive of the crime being she held a \$10,000 life insurance policy on the life of her husband.

Mrs Stewart is a relative of M. H. Wilkinson, circuit judge of the district, who impaneled the grand jury that returned the indictment.

U. S. Need Not Fear Philippine Tobacco.

Washington, Feb. 8.—The tobacco industry in the Philippines was discussed by Secretary Taft today before the Senate Committee on the Philippines. He said the entire amount of tobacco exported by the islands annually was less than the tobacco production of Lancaster county, Pa.

Secretary Taft said that the United States had nothing to fear from competition with the islands as a result of lower duties on Philippine tobacco.

Not to Abandon Fight.

Winston-Salem, Feb. 7.—The re-appointment of District Attorney Holton has not caused the friends of Mr I. T. Benbow to cease their efforts to secure the appointment of the Winston-Salem lawyer as collector for the fifth North Carolina district. Facts and figures will be presented to the powers that be in Washington, including President Roosevelt, and there are many who believe that, when this city's claims are made known to the higher authorities, they will prove effective. It will be shown that more revenue is paid to the government through the local stamp office than Asheville and other branch offices combined.

After undergoing a six-months treatment in one of the leading Baltimore hospitals Miss Mable Dove returned home this morning very much improved. All her many friends will be glad to note her great improvement.

It is known that thirty men were in the mine and there may have been more. Twelve escaped. The majority of the men are negroes and Hungarians. It is not believed that the entombed men are alive. Declares Lawson has Won.

St. Paul, Feb. 7.—Thomas W. Lawson, of Boston, after a four hours' conference with Governor Johnson, of Minnesota, left this evening for Chicago. The subject of the conference was the forming of a committee of Governors and other prominent men to seek a voice by proxies in the affairs of the New York Life Insurance Company and of the Mutual Life Insurance Company. At the close of the conference Mr Lawson said:

"Governor Johnson has consented to remain as a member of the committee I had in mind. Others who will make up a part of the committee are Governor Broward, of Florida; former Attorney General Frank S. Monnett, of Ohio, and Fremont Olden, of San Francisco."

Governor Johnson was asked if Lawson has the necessary proxies to control the voting in the two big life companies.

"I believe from the showing he made this afternoon that he has," replied the Governor, "and I believe Mr Lawson has a card up his sleeve that will astonish the folks."

Enough for Six Years.

Columbia, S. C., Feb. 8.—The dispensary investigation today was given over to Mr L. W. Boykin's attorneys, Messrs. Bellinger and Welsh, who presented evidence in rebuttal of the charges that Mr Boykin had made an extravagant purchase of labels. The testimony submitted was from Mr Weiskopf, president of the Nivison-Weiskopf Company, of Cincinnati, who made the labels and from another representative of the Louisville Courier-Journal Printing Company, to show that the labels had been bought at a reasonable price. Mr Charles, clerk of the State board, testified that the firm receiving the award was the only one which had a bid submitted properly. Mr Lyon showed that the contract was awarded on a supplemental bid.

The last witness tonight was Mr W. O. Tatum, commissioner at the State dispensary, who, under cross-examination by Mr Lyon, figured out that the labels at the present rate of use would last over six years, and that if the sizes are not used uniformly the quart labels may last years longer, although it has been reported to him that some of the half-pint labels are now running short.

VINOL'S RELIABILITY.

Countless Physicians Join with the Gibson Drug Store in Recommending Vinol.

Countless physicians and druggists are now prescribing and endorsing Vinol as the most valuable cod liver preparation known to medicine, and it is fast superseding all other forms of cod liver oil.

A prominent physician writes: "I am satisfied that Vinol derives its wonderful life-giving and strength-creating power from the medicinal curative elements found in the cod's liver. It is the best strength creator and vitalizer for old people, weak women, children, and the convalescent that I ever saw."

Another physician writes: "I could cite many cases where health has been restored in a surprisingly short time by Vinol. I should be very sorry to have to do without Vinol in my practice. It has no equal for hard colds, throat and bronchial troubles."

Now, when we tell you that we have never sold in our store a remedy of such remarkable curative and strength-creating power as Vinol, for the weak, the sick and the aged, and that if it fails to accomplish what we say it will we will refund your money without question, no ailing person should hesitate to try Vinol with such an understanding.

It needs but little foresight, to tell, that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A. Young, of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat.
