Ambassador Extraordinary and Plenipotentiary from Germany.

## Increase of Capitol.

Notice is hereby given that at the annual meeting of the stockholders of the Cabarrus county B. L. & Savings Association, April 19th 1906, an amendment to the constitution will be offered, increasing the stock from 2500 to 5000 shares which is authorizing \$500,000 instead of \$250,000 capitol as at present.

## CABARRUS COUNTY Building, Loan & Savings Association

W. R. Odell, Pres.  
J. M. Hendrix, Sec. & Treas.

**NICE FRESH CELERY AT E. A. WIDENHOUSE'S TO-DAY. PHONE 141.**

## Striking Teachers Paid Off.

Pittston, Pa., April 4.—After being on strike for two weeks the school-ma'ams of Pittston township returned to work this morning. They received one month's back pay yesterday and have been guaranteed that all arrears will be paid within a week.

The county treasurer has paid over to the attorney of the taxpayers' association the liquor license money due the township, and he will have charge of paying the teachers.

A petition was presented to the court today by many taxpayers asking that this school board be removed from office for such negligence. The court reserved its decision.

For a mild, easy action of the bowels, a single dose of Doan's Backache Kidney Pills is sufficient. Treatment of the bowels is the most important part of any medical treatment. It is a well-known fact that the bowels are the most important organ of the body. Doan's Backache Kidney Pills are the best medicine for the bowels. They are sold by all drug stores.

## STATE CONVENTION IN GREENSBORO

State Gathering of Democrats to be Held July 3rd, at Greensboro.

The members of the Democratic State Committee met in Raleigh Thursday and set the date, July 3rd for the slate convention and decided on Greensboro as the place. The meeting was presided over by Chairman Simmons. An invitation also came from Asheville. After several dates were discussed July 3rd was fixed as the one best suited.

## CHILDREN

If You Have Any Ailing Ones This Will Interest You.

"We see so many little boys and girls about town who are weak, thin-legged and hollow-eyed," said one of the proprietors of the Gibson Drug Store. "It seems a shame to allow them to remain so for they will grow up into weak, sickly and nervous men and women, without the vitality to work or enjoy life."

"If," continued he, "the fathers and mothers of such children would believe what we say of Vinol, we would see a great difference in the appearance of the younger generation of this city. You know Vinol is not a patent medicine, and is just the tonic growing children need. It will make for them good, healthy flesh, sound bone, hard muscle, and rich, red blood."

"True, Vinol is a cod liver oil preparation, but it does not contain a drop of oil, or any bad tasting feature. It is so delicious that all children love it, yet it actually does not contain all the medicinal curative elements found in fresh cod's livers, and is the most wholesome and best medicine for children we ever sold."

"It is because we know what Vinol will do that we guarantee if it fails to make your children well, ruddy and rosy, to refund your money." Gibson Drug Store.

## The Colonel's Waterloo

Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter, he says: "I was nearly dead, of these complaints, and, although I tried my family doctor, he did me no good; so I got a bottle of your great Backache Kidney Pills, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold and guaranteed by all drug stores.

## IDEAL INSURANCE LAWS

Measure So Considered to be Applied to the District of Columbia, Bill to that Effect in Congress.

Washington, April 6.—What is designed as a model insurance code for states has been introduced into Congress by Representative Ames, of Massachusetts, he proposes to have it enacted into a law for the District of Columbia. The President will probably send a message to Congress urging its adoption as a remedy for the abuses of the power and privilege of insurance companies. It embraces the idea of insurance commissioner of most of the states and was drafted by a committee of fifteen appointed for that purpose by the recent Chicago convention of insurance commissioners. The bill proposes to establish a bureau of insurance, headed by an insurance commissioner in the department of commerce and labor.

## SENATOR DEFENDS HIMSELF.

Elkins Declares that he is in Accord with the President on the Rate Proposition

Washington, April 6.—On the floor of the Senate this afternoon Senator Elkins, West Virginia, chairman of the committee on interstate commerce, answered those who have charged his only being a railway senator, that he conducted the hearings of the committee on rates to the interest of the roads and that he has attempted to becloud the issue and prevent a rate bill becoming a law. He said, "I have no interests that can affect my judgment or prevent my doing my duty as a senator, as I see it. My highest desire and purpose is to secure and serve the public interest." The senator stated that he is in accord with the President on the railroad rate regulation, though further saying that the Hepburn bill in its present form will fail to provide against the evils from which the people are suffering.

## Not Much to be Said on the Miners Convention.

New York, April 6.—Pending the decision of the anthracite coal operators as to whether they will accept the miners' proposal for arbitration, the question of war or peace in the coal region hangs in the balance.

The operators' decision will be made known at the conference Monday afternoon, but it is freely predicted that the operators will refuse to submit the matter to arbitration, and this opinion is strengthened by the utterances this morning of David Wilcox, of the Delaware & Hudson Co., who says that the award of the anthracite commission was conclusive as to all facts at issue and that no new facts had been brought out since. It has been decided that the next convention of the miners will be held at Hazelton.

## Von Buelow's Illness Causes Uneasiness.

Berlin, April 6.—Chancellor Von Buelow is progressing satisfactorily, but political gossip is already discussing the question of his successor as Chancellor. There is an uneasy feeling of the Bourse, first, on account of his possible retirement, and, second, because Her Heintze, permanent head of the foreign office, who will succeed him as Chancellor during the leave of absence he will be forced to take, is regarded as an aggressive Pan German with strong antipathies towards England and France. Von Buelow's illness may place the international situation in an unfavorable way for maintaining peace.

The cat never cries over spilled milk.

A square meal is handy to have round.

The telephone bell should always ring true.

Don't let him by something by his easy day.

## BALL AT MT. PLEASANT

Catawba Won From the Collegiate Institute Boys Friday Afternoon.—A Close Game.—A Victory for the Visitors.

Mt. Pleasant, April 6.—Catawba won in the eleventh inning; score 3 to 2. That is the story in brief of the game here yesterday between Catawba College and the Institute, but a much longer one could be written, for this proved to be by far the best game that has ever been pulled off on the local diamond. Before the game, it was conceded by many that the score would go to the visitors, but when the result of inning after inning was recorded on the score book with nothing to the credit of the Reformed boys, it began to look very much like a shut out game. In the fourth inning Miller placed his foot on rubber for the home team, scoring the first run. Welsh did the same trick in the fifth, and there the scoring ceased as far as the locals were concerned. Though it was three men up and three men down yet the visitors kept their heads and played ball. In the ninth their chance came and they failed not to make full use of it. Lynch was at the bat for the College boys with second and third occupied. He hit lightly to Stewart at second, scoring the man on third. Then through one of those apparently unavoidable fumbles which constitute a part of the game, the man on second was allowed to score, which tied the totals. In the eleventh, it chanced to be Lynch again who was on third. He caught Fulenwider unawares and made the winning run for the visitors. The game throughout was fast and full of baseball interest. The feature of the game was the pitching; a real pitchers battle. In the sixth, with second and third occupied and no outs, Fulenwider very cleverly caused three men in succession to lay down the willow at home without touching the ball. He also did the same trick in the seventh and eighth. His work in the box was a shut out game from start to finish. Yount for the visitors was also of a kind calculated to puzzle batters. As taken from the official score, the summary is as follows: Batteries, for Catawba, Yount and Lynch; for the Institute, Fulenwider and Miller. Struck out, by Yount 14, by Fulenwider 22. Base on balls, Yount 1, Fulenwider 1. Hits off Yount 7, Fulenwider 4.

## DEATH OF MISS HEATH.

Young Lady Well Known Here Died Thursday at Bishopville.

News reached here last night of the death of Miss Lewis Heath, a very popular young lady who spent much time in Concord a few years ago. Miss Heath died of pneumonia, at Bishopville, S. C., at the home of a relative. During the time that her brother was in business in Concord Miss Heath was here quite a good deal and made many friends.

## Jewels Worth \$4,000 Stolen From Hotel.

Augusta, Ga., April 5.—Mrs. Chas. Clark, of New York city, was robbed of diamonds valued at \$4,000 at a local hotel where she had been stopping for some time, last night. The jewels were taken from her room where she had left them in a small case.

It is suspected that the theft was committed by a professional hotel thief who was evidently stopping at the place under the guise of a wealthy guest. He is believed to have come here from Florida.

It is the second theft of the kind of recent date, a piece of Andrew Carnegie being the victim of the first.

## A Wealthy Banker Found Murdered.

Muskogee, I. T., April 5.—J. Burdette, president of the Eufaula National Bank, merchant and one of the most prominent and wealthiest men of the Creek nation, was shot and killed last night at his home in Eufaula. His body was found this morning about 6 o'clock near a well in the rear of his residence, a portion of his head being torn away by a bullet wound. There was no one at the place except Mr. Burdette and he had been dead many hours before the body was discovered. There is no clue to the assassin.

Mr. Burdette carried life insurance policies amounting to a quarter of a million dollars.

We will furnish your kitchen completely as well as any other part of your home. How about your Stove or Range? We would like to put the best one made in your kitchen. It's a pleasure to cook on them.

## A New Style For Young Men..

You know this style—meet it about town everywhere you go. Why have we sold so many of them? Because we have paid special attention to the details that young men are particular about—the snug fit about the collar and shoulders, the close, form-fitting and graceful hang of the coat, the dressy finish of stylish materials chosen for style and service, the gentle custom-made tone which distinguishes these finely tailored garments. Come here first tomorrow and see this new model, like cut. Positive \$15 values.

The coat is 32 inches long, decidedly form-fitting; has neat cuffs on sleeves and deep side vents. By deftly handling the side seams and putting a seam in the gorge, we get a fullness in the chest which gives the figure a full, robust, athletic appearance. It is for men who want an exceptionally neat, stylish garment.

The makers of the clothing we sell stand at the top of the list. The name is in each suit. Want you to come—see how well clothes are made when talent shapes the cloth—see how thoroughly in earnest we are in our determination to make this a store where particular and tasty young men can secure the season's newest and best styles.
