SOME POLITICAL TALK.

Vacancies in Offices to Be Filled This Year—Several of the County Officers Will Not Stand for Re-Election.

Perhaps one of the most interesting announcements in the political field is that Clerk of the Court John M. Cook, will not be a candidate for re-election. Mr. Cook has held the office for ten years, eight as clerk and two as deputy under the late clerk Mr. James C. Gibson. He has filled the office with great satisfaction, and his determination not to ask for another election is disappointing to many friends. Mr. Cook reached this decision some time ago, and will accept a very prominent business offer. So far no one has offered for the nomination.

Of the present officers Mr. Cook is not the only one who will retire. County Treasurer C. W. Swink will also not be a candidate, nor will Register Johnson, two faithful and efficient officials for a number of years.

State Senator Odell's friends will insist on his return to the senate, and, so far, there is not another candidate for the senate, and Mr. Odell's friends are satisfied that he will be the nominee.

For the House Mr. Strickley is urged by some of his friends. Mr. George E. Ritchie is also frequently mentioned as a suitable candidate for legislative honors.

The matter of county commissioners is one of much importance and several names have been suggested. No doubt several of the present board will be re-nominated. For chairman we have heard the names of W. L. Morris, W. W. Flowe, D. B. Coltrane, J. P. Allison and H. L. Parks, mentioned. The commissioner's office is one in which much interest is felt, and the chairmanship is being discussed a good deal. Messrs L. M. Morrison, D. R. Harry and John W. Morris are also heard in connection with a nomination for the new board.

Chairman Hartsell will call his committee together on Saturday the 4th to fix a date for the primaries and convention. Following this call political matters will begin to warm up.

Poor Orphan a Rich Heiress.

Pittsburg, July 28.—The will of Mrs. Elizabeth E. Burns, widow of William Burns, former traction magnate of Pittsburg, was filed here today for probate. It disposes of an estate valued at several millions.

The last place of residence of Mrs. Burns was the Hotel Majestic, New York. To the adopted daughter, Cora Burns Phelan, wife of Alexis Phelan, of this city, is given the property known as "The Pines," at Round Island, N. Y. To each of her four grandchildren is given \$25,000, and there are a number of minor bequests in addition to money for Masses, after which the remainder of the estate is given to Mrs. Phelan.

The latter was a poor orphan when the Burns family adopted her.

Doctors take more pride in discovering new diseases than in curing the old ones.

Some men seem to get a heap of melancholy satisfaction from being misunderstood.

Addicks Ousts Allee.

Wilmington, Del., July 28.—J. Edward Addicks sprang a political surprise this afternoon that has complicated Republican politics in Delaware. At a special meeting of the Union Republican State Committee Senator Allee was ousted as Chairman and expelled from the organization, and Addicks was elected chairman. Representative Murray was appointed to the vacancy created by Allee's alleged expulsion. Peter P. Alrich of Glasgow was also expelled, and Thomas E. Horn of Middleton was chosen to succeed him.

A resolution was adopted rescinding the recent action of the committee empowering Allee to negotiate with Chairman L. Heister Ball of the Dupont Republicans. Addicks was directed to issue a call for a Union Republican State convention at Dover on August 28. The followers of Addicks declare that two State conventions must be held and that the candidates will be divided.

Senator Allee and his friends say the meeting today was illegal, the chairman not having issued the call. They declined to attend. It is said that thirteen of the eighteen committeemen were present.

A Tragic Finish.

A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped to become a ruinous break, devastating an entire province of Holland. In like manner Kenneth McIver, of Vanceboro, Me., permitted a little cold to go unnoticed until a tragic finish was only averted by Dr. King's New Discovery. He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold, saved my life." Guaranteed best cough and cold cure, at all druggists. 50c and \$1.00. Trial bottle free.

Speaking of confiding natures—how about those people who put their trust in the labels on the cans.

Only 82 Years Old.

"I am only 82 years old and don't expect even when I get to be real old to feel that way as long as I can get Electric Bitters," says Mrs. E. H. Brunson, of Dublin, Ga. Surely there's nothing else keeps the old as young and makes the weak as strong as this grand tonic medicine. Dyspepsia, torpid liver, inflamed kidneys or chronic constipation are unknown after taking Electric Bitters a reasonable time. Guaranteed by all druggists. Price 50c.

Every dog has his day, the trouble being that so many dogs choose the same day.

Twenty Year Battle.

"I was a loser in a twenty year battle with chronic piles and malignant sores, until I tried Bucklen's Arnica Salve; which turned the tide, by curing both, till not a trace remains," writes A. M. Bruce, of Farmville, Va. Best for old Ulcers, Cuts, Burns and Wounds. 25c at all druggists.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly falling to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and test medicine. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 7c. Take Hall's Penny Pills for constipation.
