

SUPERIOR COURT CONVENES.

August Term With Judge R B Peebles The Presiding Judge—C. O. Gillon Foreman of the Grand Jury.

Court convened this morning with Judge Peebles presiding and Solicitor Clarkson prosecuting for the state. The calling of the jury brought forth many excuses and Judge Peebles excused several who had been drawn for service. The grand jury was drawn and sworn in as follows:

C O Gillon, foreman; J E Brown, J D Little, J S Gray, J Madison Furr, G F McAllister, Wm. Stinson, Wiley Wise, J H Blackwelder, W F Winecoff, G H Cruse, H W Caldwell, F E Riley, M M Lipe, Jno F Candle, W B Eddleman, Luther Smith, and W H Brafford.

As soon as the grand jury was drawn and sworn Judge Peebles delivered his charge and the criminal docket was taken up. The most prominent case is that against Will Cannon for the killing of Calvin Taylor on July 4th at a negro picnic at Cedar Grove near Concord in No. 2 township. The criminal docket will consume the most of the week.

Mr Ira Winecoff is the officer in charge of the grand jury and Mr C A Isehour is the court crier. Mr C W Maxwell of the Charlotte bar is over attending court.

Negro Lynched in Louisiana.

Calhoun, La., Aug. 26.—Alfred Schaufniet, a negro was lynched here at 10 o'clock to-day by a mob, for attempting to criminally assault Miss Olive Chambers, a prominent young woman of this place, at an early hour this morning. Schaufniet was frightened by the screams of his intended victim and fled, but was later captured by a posse a few miles out of town.

He was brought back to town by the posse, and after confessing his guilt was hanged to a telegraph pole. His body was viewed by hundreds of persons, both white and black, and every one seemed pleased at the swiftness of the justice meted out to the negro.

The following bold notice was posted upon the negro's body:

"This is a warning to all negroes who would attempt to force an entrance to the apartments of white women."

The mob which lynched Schaufniet was a quiet but determined one.

To Prosecute Sheriff.

Columbia, S. C., Aug. 25.—Acting upon testimony adduced at the Coroner's inquest into the death of Willie Spain, the negro who was lynched at St. George on Thursday last, Gov. Heyward today ordered the prosecution of Sheriff Limehouse of Dorchester County.

It is charged that the official surrendered the negro into the hands of a mob without proper authority or effort to give him proper protection. The Sheriff said that he surrendered the negro to the mob for the purpose of "investigation."

The laws provide that on such cases, upon conviction, the official shall be ineligible to hold any office of trust or profit within this State.

Insurance on Life of Capt. Hambley.

Mr Robert Lee Crawford, representing the New York Life Insurance Company, today received a check for \$25,000 from the New York office representing the face value of the policy carried with this company by the late Capt. E B C Hambley and made payable to his widow, Mrs. Lottie C Hambley.

Mr Crawford wrote this policy over several competitors four years ago and his company makes an unusually prompt settlement. Capt. Hambley died on Monday, the 13th instant.—Salisbury Post.

Messrs. Robert S Young, Jr., and Lee Johnson are home from Annapolis. The young gentlemen are off on the usual month's vacation which Uncle Sam allows his young men at the Naval Academy.

CAUGHT HIGH HANDED.

Young Negro Boy Caught by Chief of Police in White-Morrison-Flowe Co.'s Store.

Early Sunday morning Chief Boger caught a young negro boy, Theodore Wright, in the store of the White-Morrison-Flowe Co. He went in by a cellar door, a trick he has turned frequently before, each time raiding the cash drawer and carrying off what change was left there. This had become so frequent and common that Saturday night two of the employes of the store remained in the house until 5 o'clock, at that hour being relieved by Chief Boger. About 7 o'clock the boy came in the usual way and was caught. The cellar door is a double one, fastened on the inside by a bar. The door gave sufficient for the boy to get his hand or a thin bar through, and by this means lift the bar, opening the door. Theodore has been caught at this kind of work before.

Sunday Bather Drowns.

Gaffney, S. C., Aug. 25.—One of the most shocking accidents in the history of the city occurred here this afternoon about 4 o'clock. Emmett Marsh, well-known young man of the city, was drowned about that hour at a pond near Gaffney. He was in bathing when he went down and was unable to save himself.

His companions were unable to render him any assistance. He could not swim, having a plank to assist him, and on losing this he was powerless to use any successful effort toward regaining the bank. His body remained in the water something over an hour, a large number of men striving to recover it during that time.

The young man was 19 years of age and an orphan. For a number of years he had made his home with Mr G G Parish, proprietor of the Commercial Hotel. He acted as night clerk in that hostelry.

New Cotton Compress Rules.

New Orleans, Aug. 26.—The exporters of cotton, members of the cotton exchange, have posted a notice to all ship agents that rules heretofore obtaining regarding the density of compression of cotton for export will not be abided by. The directors of the cotton exchange have rescinded the former rules, which were passed by the joint action of the maritime exchange and the cotton exchange. In the future no claim for faulty compressing will be regarded by the exporters save that relating to missing bands. When bands are missing, such bales are to be set aside and the exporter notified when the condition will be rectified at once. The exporters say they are convinced that the average density of cotton received at this port is fully up to the standard at other ports.

This Depositor Goes Crazy.

Chicago, Aug. 26.—Johann Kindler, 13 years old, today became violent and alarmed passengers in an Ashland avenue car while brooding over the loss of \$80 he had deposited in the failed Milwaukee Avenue State Bank. Kindler is held pending an investigation of his sanity. Kindler is the second person to become mentally deranged as a result of the failure of this bank. In addition, three persons, including a teller of the defunct bank, have committed suicide, and one man fell dead owing to the flight of President Stensland and the closing of the Milwaukee State Bank. The police tonight are still in the dark as to the whereabouts of Stensland.

Mr Julius Morrison, of Harrisburg, was taken to New York Saturday where he will undergo an operation. Mr Morrison is almost totally blind and was taken to New York by his two sons, Messrs. D H and S H Morrison who live there.

No policy will be profitable that is not steered by principle.

Money is probably called dough because we need it for our daily bread.

BLACKBURN COMING.

Republican Congressman to Be Here for County Convention.

Mr. E Spencer Blackburn, the Republican nominee for Congress in this district, J Frank Liney and Thomas Settle, of Asheville, are to be in Concord on September 22d for the Republican County Convention. They come at the request of the chairman of the party in Cabarrus, and on this day the Republicans are expected to open up the campaign.

Just now there is not much in Republican circles by way of news. There is a contest on for chairman of the county committee. Mr. John A Sims is a candidate for this position, and he is bestirring himself to that end.

Peonage Cases in Louisiana.

Shreveport, La., Aug. 26.—United States marshals arriving here today from Bernice, La., report the arrest at that place of L M Dendy, one of the wealthiest planters of north Louisiana, and his son, J J Dendy, on a charge of violating the peonage laws by keeping negroes in servitude. The Dendys were carried to Monroe, where they gave bond in the sum of \$1,000 for their appearance at the next term of the Federal Court. Recently five planters were arrested in the Bernice neighborhood on similar charges and the investigation continues by the Federal authorities. Eleven peonage cases have so far been made in the Monroe Federal Court.

His home was Rocky Mount.

At the Solicitation of my Friends and Many Voters

I announce myself as a candidate for the House of Representatives, subject to the Democratic primaries and nominating convention. In doing so I wish to state a few of the things—in the interest of the people—I am in favor of:

I am in favor of a reasonable and just reduction of railroad fares; of giving ample power to the corporation commission to enforce its orders upon the railroads (which it formerly held, but was taken away from them), I am in favor of an act to compel the railroads to give all shippers equal freight rates, and forbid and destroy the advantage they now give to favored shippers in the way of underbilling and such like devices. I am opposed to the dictation to the voters of this county by paid servants of the Southern railroad who shall be the nominees of the party, especially who shall represent the county in the legislature. I am in favor of making the Watts law apply to all alike within the borders of the state, and not give as their due and right, as one member of the House of Representatives said, special privileges to the rich and restraining laws for the poor. I am in favor of a "square deal" for all, and for equal opportunities for all.

I am, to the "manner born," a native of good old Cabarrus. I will submit to no political trickery.

I. N. INGRAM.

For Clerk of Superior Court.

I hereby announce myself a candidate for the office of Clerk of Court of Cabarrus County, subject to Democratic primaries and nominating convention. As it will be impossible at this late hour to make a thorough canvass, will say that my past record as a citizen and a Democrat speaks for itself. And should I not be so successful as to receive the nomination it will not keep me from supporting the entire Democratic ticket as I have always done.

M. LUTHER WIDENHOUSE.

Husband Attempts Suicide.

Gaffney, S. C., Aug. 26.—An exciting incident occurred early this morning at the Commercial Hotel, in this city, when a man disturbed that part of the city by attempting suicide.

A number of persons were attracted to the room when the shot was fired, among the number a policeman. They were just in time to prevent the man leaping from the window to the ground below.

The man was taken into custody but was released to-day on a cash bond. He gave his name as W M Rippey, and he was accompanied by his wife, arriving last evening after midnight on train No. 35 from the North.
