CONCORD, N. C. Aug 27, 1906

JUSTLY APPRECIATED.

It does one good, all over, to have friends, and when friend after friend comes to see me to assure support and co-operation in the contest for the nomination for county treasurer, friends whom, for lack of opportunity, I had not asked to support me, I feel the real appreciation of such friendship, and a desire to say so. During the past few weeks many people from every section of Cabarrus have voluntarily offered me their support, in every case being impelled by a real reason, an earnest desire to see me succeed.

J. F. H.

A letter from a resident of another county who feels an interest in Cabarrus, having been reared in the old county, says: "Hurrah for Hurley! He deserves to win, and I believe Cabarrus Democrats will nominate him." Another Cabarrus boy, who now lives in a neighboring county, spent a few days in the county a few weeks ago and urged several of his friends to support Hurley.

A friend in the county said: "The horse that pulls the plow, deserves the fodder. I was for Hurley at once."

One of the most prominent newspaper men in North Carolina said some time ago: "Your paper is making more for its opportunities than any other paper in the State."

May Establish Hotel.

Asheville, Aug. 24—The valuable property located on College and Oak streets belonging to Bishop James Atkins, of the M E Church, South, and commonly known as the Asheville College property, will probably change hands in a few days. It is learned that Bishop Atkins has given a Virginia citizen an option on the property at a price said to be \$40,000. It is more than likely that the deal will be closed before the expiration of the option and that extensive improvements will be at once undertaken. The proposed purchaser, it is understood, will either convert the property into a large hotel or establish there a college. The erection of another building in front and in connection with the present college building is in contemplation if the deal is successfully consummated and other improvements will be made.

The old Asheville Female College property is one of the handsomest in the city.

The Greater Charlotte Chautauqua
Charlotte, N. C., Aug. 27.—By engaging Prof. Charles Lane, the noted humorist, the directors of the Greater Charlotte Chautauqua have completed their programme for the September meeting. Sulzer Tammany's Choice.

New York, August 26—In a statement given out tonight, Tammany Leader Julius Harburger, of the tenth assembly district, declares he will be a delegate to the Buffalo convention and will take the platform and present for the Democratic nomination for governor the name of Congressman William Sulzer, of New York city. Mr. Harburger said he made this statement in response to District Attorney Jerome, who recently challenged the leaders of Tammany Hall to express their choice for governor.

The readers of this paper will be pleased to learn that there is at least one disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is its only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.
