MR. CARNIGIE'S REFORM.

The suggestion made by the committee created by Andrew Carnegie that our spelling be revised, reformed to the suiting of the committee of reformers, has caused lots of talk and comment, which is increased by reason of the fact that President Roosevelt is endorsing the reformed spelling. The recent telegram from Oyster Bay to this effect gave the suggested reform some renewed energies. The revised English as "she is rit" comes thus from Oyster Bay:

Oyster Bay, August 24—President Roosevelt haz bekum a konvert to the spelling reform movement. He haz directed that in all his futur ofishal mesajes to Kongress shall be incorporated the simplified spellings wich haz bin rekomended bi the spelling reform komity ov wich Prof. Brander Mathuz ov Kolumbia University is prezident & wich is backt bi Andru Karnage. The komity haz so far advokated a chang in the orthografe ov about three hundred wurd. Additional 7806.x (ity'n fywp peapeawp Adishunal lists ov simplified spellings will be published from tim to tim, & will be adopted by Prezident Rozevelt

It is mighty hard to teach an old dog new tricks, especially when one has spent a lifetime learning the trick, and Mr. Carnegie is not generally encouraged in trying to reform us when he is himself at Skibo "wollering" in his native Scotch ways and words.

Robbery at Salisbury.

Salisbury, Aug. 27.—This city has rarely had a bolder robber than was brought to light yesterday evening the little son of Mr John F Ludwick. In rear of the old opera house, not more than 60 yards from Main street and the most frequented of all the favorite police rendezvous, was a safe in which Mr Ludwick, as agent for the Augusta Brewing Company, generally kept the money. This safe was laid open and literally beaten to pieces by a sledge hammer, afterwards found. It weighed eight pounds and had been used so effectively as to awaken a near neighbor but not sufficiently to cause him to investigate the source of the noise. There was a blacksmith shop near by which was broken into and some of the tools taken to effect the entrance, but it does not appear that they were actually employed. The skilled mechanic with the nerve and knowledge of the crackman did the work undoubtedly.

Mr Ludwick had been ill and his substitute very wisely allowed no money to be put in the safe, but deposited it in the bank. Yesterday being Sunday, the brewery was not opened except by the boy who went for ice. He found the safe torn open and gave the alarm.

A man may feel that he has nothing to learn, but he generally has a lot to unlearn.

Of course a woman is changeable. The principle object of her life is to change her name.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is its only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Opportunity is said to knock once at every man's door, but some men wouldn't recognize it if it knocked them down.

Prof. Tyler of Amherst college, said recently: "A man can live comfortably without brains; no man never existed without a digestive system. The dyspeptic has neither faith, hope or charity. Day by day people realize the importance of caring for their digestion; realize the need of the use of a little corrective after overeating. A corrective like Kodol for Dyspepsia. It digests what you eat. Sold by Gibson Drug Store."

When a married man begins to tell his domestic troubles to his mother it usually indicates a divorce suit.

Stops itching instantly. Cures piles, oozema salt rheum, tetter, itch, hives, herpes, scabies—Doan's Ointment. At All drug stores.

Domestic differences should always be settled in the kitchen. The dining room is no place for scraps.

ANOTHER WONDER OF SCIENCE.

Biology has Proved that Dandruff is Caused by a Germ.

Science is doing wonders these days in medicine as well as in mechanics. Since Adam lived, the human race has been troubled with dandruff, for which no hair preparation has heretofore proved a successful cure until Newber's Hairdressing was put on the market. It is a scientific preparation that kills the germ that makes dandruff or scurf by digging into the scalp to get at the root of the hair, where it gets the vitality; causing itching scalp, falling hair, and finally baldness. With our dandruff hair must grow luxuriantly. It is the only destroyer of dandruff. Sold by leading druggists. Send for the full story for name to The Hairdressing Co., Detroit, Mich.

Dear Doctor—

I owe you so much for you saved my mama's life—she was awful sick—the doctor came and Papa cried—so did I—The doctor could not help her—but Aunt Emma—she told mama to take Dr. Pierce's Favorite Prescription—and so she got well in nough time.

I thank you very much
To Dr. R. V. Pierce. Enid Decker.

Many mothers of families in the United States have reason to be grateful to the person who recommended Dr. Pierce's Favorite Prescription. This is a medicine especially prescribed for diseases of womanhood. It does not cure catarrh, for it is put up for the single purpose of curing diseases peculiar to women. Another point in its favor—it does not contain a single drop of alcohol or harmful habit-forming drugs. It is purely vegetable and perfectly harmless in any condition of the system. An alcoholic compound for women is something no woman should take and yet "Favorite Prescription" is the only tonic and nerve put up for sale through druggists, especially for women's weaknesses, that does not contain alcohol and that in large quantities. Womanly weakness will always bring painful periods and nervous condition, for which alcohol is the worst thing in the world. What a woman thus afflicted needs is a vegetable tonic and invigorating nerve like Doctor Pierce's Favorite Prescription, which will build up her delicate system and bring about a healthy tone. It cures the drains and weaknesses of women, also displacements, as prolapsus, anteversion, retroversion, irregular and painful periods and kindred ailments.

If you want to know what ails you the United States mail will bring you the best medical advice for only the cost of writing materials and stamps. Many women owe their present good health to the fact that they consulted Dr. Pierce by letter, giving him all possible information about their condition, symptoms, etc., and received in return good medical advice which cost them nothing. This is why we advise you to write to Dr. R. V. Pierce, the founder of the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y.

Dr. Pierce by no means confines himself to prescribing his well-known proprietary medicines. He tells you in the most common-sense way what ails you, what you ought to do, what line of treatment should be followed out in your particular case, and if your case does not indicate the need of his proprietary medicine, he tells you plainly and frankly what you do need, and the best possible method of improving your health. If you are a young woman just entering upon the duties of life, you should have good medical advice of a confidential nature. If you're the mother of children, you may want advice about yourself and how best to put your system in order that your children may be healthy. To sufferers from chronic diseases which do not readily yield to treatment, or to people who are past the youthful stage of life and want confidential advice about their ailments or their physical condition, Dr. Pierce offers careful consideration and the best medical advice within his power, free of cost.

"Favorite Prescription" is indeed an ideal medicine for women, and by far the best I have known to restore lost health and strength," writes Mrs. R. C. Roelker, 24 Ingram Street, Henderson, Ky. "I suffered misery for several years, being troubled with flooding. My back ached and I had bearing-down pains and frequent headaches. Would often awake from sleep in such pain and suffering it would be hours before I could close my weary eyes again. I dreaded the long nights as well as the weary days. Consulted two different physicians hoping to get relief, but finding that their medicine did not seem to cure me I tried Dr. Pierce's Favorite Prescription, as a friend had recommended it so strongly. Am glad that I followed her advice for it was the only medicine for me. Every ache and pain has gone, and not only this, my general health has improved. I feel well and strong, have a fine appetite, have gained flesh and never looked better. My advice to suffering women is to take the 'Favorite Prescription' and they will never be disappointed with the results." Formula printed on wrapper.
