BILLS MAILED.

The Tribune has mailed out this week a number of statements of accounts to patrons. We hope to hear from these at an early day.

THE DIFFERENCE.

The Asheville Gazette-News says "we wish to put in a word for the much abused Asheville correspondents of the New York papers."

"Because a story bears an Asheville date line this should not be taken as conclusive evidence that it emanated from this city. On the contrary several of the big New York papers pay large salaries to men, whose specific duty it is to take news matter sent in by press associations and reliable correspondents and rewrite it so as to conform to their own peculiar, saffron-hued style. These papers do not wish a dignified relation of any set of facts. They will pay for anything so legitimate. . . . The story published by the New York American was particularly offensive to the people of Asheville, but the Asheville correspondent of the paper assures us that he did not write the narrative as it appeared in that paper.

There you have not only a just defense no doubt of the man on the spot, but a view to two classes of papers; the sane, if you please, and the "yellow."

The Observer says most correctly:

"It was proper that Prof. J. Y. Joyner should have been elected president of the Normal and Industrial School for Women. It was yet more proper, and should be greatly gratifying to the State, that he declined and will continue in the larger position which he is filling so well."

Joyner can, we imagine, be spared from his present position, yet he was the one to whom should be offered the presidency of the State Normal.

The mail order houses of Chicago and other cities sell lots of goods all over the country, many in California. They have no advertisement to get this business, but they are successful who are

Three alienists have declared their opinion that Harry Thaw was insane at the time of his shooting Stanford White. The experts will play a very important part at the Thaw trial, which comes off next month. District Attorney Jerome is to prosecute the case, but if we can rely upon present opinion of Jerome Thaw need have no increased fears on that account. It is not likely that Jerome will prosecute as vigorously or as dangerously as would Jim Osborne.

M'IVER MEMORIAL.

Exercises Held at Greensboro on Tuesday—Prominent Citizens Take Part.

Greensboro, Nov. 20—Amid the works that he had wrought, memorial exercises in honor of the late Dr. Charles Duncan McIver were today held in the auditorium at the State Normal and Industrial College. The spacious new auditorium was crowded with prominent educators, professional and business men from every section of the State, many people from the city, and about one thousand students and alumnae.

Dr. Winston, president of the A. & M. College at Raleigh, and for four years Dr. McIver's teacher, spoke next. His was a brief but beautiful tribute to his great pupil.

He was followed by President Venable of the State University, who made a splendid address.

Miss Mary K. Applewhite, on behalf of the students, paid a fine tribute to the memory of their former teacher and friend.

Dr. J. E. Brooks, of this city, a University alumnus, spoke.

"Dr. McIver," said Dr. Brooks, "was made of sterner stuff than the average man today who is all-absorbed by the pursuit of wealth. His life was devoted to a mission, which had naught to do with money-getting so far as he was concerned. Not staggered but rather inspired by the magnitude of the task, he went everywhere preaching the doctrine of education for women. No greater man was born on North Carolina soil."

Last came the speech of Prof. J. Y. Joyner. His address was an analysis and a portrayal of the character of Dr. McIver. His warmheartedness, his generosity, his helpfulness, his self-forgetfulness, his enthusiasm and his tireless energy he painted eloquently. The singing of "Nearer My God to Thee," then closed the service.

Small Fortune Hidden in an Old Carpet.

Detroit, Mich., Nov. 20—It became known today that during an auction sale yesterday of the household effects of the late John Mullin at his former home, 235 Vinewood avenue, \$15,000 in gold was found hidden away under a dusty old carpet which the auctioneer had just sold as it lay on the floor. When the purchaser ripped it up the money was found. Mr. Mullin was one time prominent in the iron industry at Pittsburg.

Dr. Shoop's Cough Cure is absolutely safe even for the youngest babe—and it cures, it does not simply suppress. Get a safe and reliable cough cure, by simply insisting on having Dr. Shoop's. Poisoning of Life Partners in Hungary.

Budapest, Hungary, Nov. 21—An epidemic of poisoning has been brought to light in the village of Knez which discloses that probably a score of ill-mated husbands and wives have been murdered by dissatisfied life partners. Anonymous information led the authorities to the examination of twenty-five bodies and arsenic was found in thirteen. Four women have been arrested for the murder of their husbands and nine men for the murder of their wives.

Seven Trackmen Killed.

Bluefield, W. Va., Nov. 20—Seven trackmen, of a gang of 19 engaged in removing a slide on the Dry Fork branch of the Norfolk & Western railroad, were killed today as the result of a big slip of the land. The men were swept down the mountain side and into the river. Twelve escaped. The bodies of four of the victims were recovered and three of the bodies are buried under hundreds of tons of earth. All of the victims were Italian laborers, and were known only by numbers, not names.

Made Happy for Life.

Great happiness came into the home of S. O. Blair, school superintendent, at St. Albans, W. Va., when his little daughter was restored from the dreadful complaint he names. He says: "My little daughter had St. Vitus' Dance, which yielded to no treatment but grew steadily worse until as a last resort we tried Electric Bitters; and I rejoice to say, three bottles effected a complete cure." Quick, sure cure for nervous complaints, general debility, female weakness, impoverished blood and malaria. Guaranteed by all drug stores; price 50 cents.

Had a Close Call.

A dangerous surgical operation, involving the removal of a malignant ulcer, as large as my hand, from my daughter's hip, was prevented by the application of Bucklen's Arnica Salve," says A. C. Stickle, of Miamus, W. Va. "Persistent use of the Salve completely cured it." Cures cuts, burns and injuries—25 cents at all drug stores.

Constipation

Baked sweet apples, with some people, bring prompt relief for constipation. With others, Nature undoubtedly has a wonderful remedy to relieve every ailment known to man. If physician can't find Nature's way to health. And this is strikingly true with regard to Constipation. The bark of a certain tree in California—Cascara Sagrada—offers a most excellent aid to this end. But, combined with Egyptian Senna, Slippery Elm Bark, Solid Extract of Prunes, etc., this same Cascara bark is given its greatest possible power for correct medication. A toothsome Candy Tablet, called Lax-ets, is now made at the Dr. Shoop Laboratories, from this ingenious and most effective prescription. Its effect on Constipation, Biliousness, Sour Stomach, Headache, Salow Complexion, etc., is indeed prompt and satisfying. No griping, no unpleasant after effects are experienced, and Lax-ets are put up in beautiful illustrated metal boxes at 5 cents and 25 cents per box. The Dairy and Food Commission's Report.

The Minnesota Dairy and Food Commission's analysis shows that Kennedy's Laxative Honey and Tar and Bee's Laxative Honey and Tar contained opiates and croton oil. Opiates are poisons and croton oil is a violent poisonous purgative. Refuse to accept any but Foley's Honey and Tar in a yellow package. Foley's Honey and Tar contains no opiates or dangerous drugs and is the best cough and cold cure. D. D. Johnson, Druggist.

Cured of Bright's Disease.

Mr. Robert Q. Burk, Elmore, N. Y., writes: "Before I started to use Foley's Kidney Cure I had to get up from twelve to twenty times a night, and I was all bloated up with drury and my eyesight was so impaired I could scarcely see one of my family across the room. I had given up hope of living, when a friend of mine recommended Foley's Kidney Cure. One 50c bottle worked wonders and before I had taken the third bottle the drury had gone, as well as all other symptoms of Bright's disease. D. D. Johnson, Druggist."

A WAY THEY HAVE. What This Concord Citizens Says Only Corroborates the Story of Thousands. The particulars related by this representative citizen of Concord are similar to hundreds of others in this city. When there are scores of people, all anxious to tell about the benefits received from the use of Doan's Kidney Pills, the greatest skeptic in Concord must be convinced. Read the following: B. W. Johnson, policeman, living at 144 North Spring St., says: "Doan's Kidney Pills have been given a thorough trial in our family and we found them very satisfactory. My wife and I have both suffered from our backs and the pills have helped us both. We had tried many other medicines but had never found much relief until we got the first box of Doan's Kidney Pills at the Gibson Drug Store. They are a great medicine." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other. A LIQUID GOLD CURE AND LAXATIVE COUGH SYRUP THE ORIGINAL THE NEW IDEA. "A Cold or a Cough nearly always produces constipation—the water all runs to the eyes, nose and throat instead of passing out of the system through the liver and kidneys. For the want of moisture the bowels become dry and hard." Nearly all other cough cures are constipating, especially those containing Opium, Kennedy's Laxative Honey and Tar moves the bowels, contains no Opium. Relieves Colds by working them out of the system through a copious action of the bowels. Relieves Coughs by cleansing and strengthening the mucous membranes of the throat, chest, lungs and bronchial tubes. For Croup, Whooping Cough, La Grippe, Influenza, Bronchitis, and all Coughs, Colds, Lung and Bronchial affections no remedy is equal to Kennedy's Laxative Honey and Tar. Children like it.
