THE EVENING TRIBUNE.

CONCORD, N. C., WEDNESDAY, MARCH 6, 1907;

25 Cents a Month, Cash.

VOL. XI.

Advertising of the right sort persuades people to buy. It's more nearly akin to reaping than to seed-sowing; while it brings an immediate harvduction.

More, it reaches out and brings in new fields.

PRINTING PRINTING PRINTING

We are afraid that you have forgotten about that Printing, baying been so interested in the Recorder business, and we rise to remark that you will find us at the same old stand ready to turn out first class work.

FIRE ! FIRE ! FIRE !

Is a dreadful cry to most people, and the first question after getting to the fire is "How much insurance has he ?" If the reply is that he has none, we all begin to talk about the poor unfortunate. He had a chance to get it but failed. Don't get in this fix but see

in Senate. The revised charter bill which has been so much under discussion the past several days and est, it at the same time leaves which passed the House last week the field in better condition- passed its second reading in the fertilizes it for further pro- Senate last night and would come up for its final reading today, after which it is supposed to be a fixture. It was reported here this morning that there had been some change made in the bill before passing the Senate. A telegram from The Tribune's Raleigh correspondent this morning stated that the bill passed its second SPLENDID DAY reading last night and would pass third today. A private telegram last night brought the same information and further intimated that some change had been made.
