### Well Known Physician Takes His Own Life.

Charlotte, N. C., May 27.—Dr. David G. Thompson, a well known physician living at Fort Mills, sixteen miles south of this city committed suicide at 2 o'clock this morning, using a razor with which he severed his throat almost from ear to ear.

The deceased was twenty-nine years of age and leaves a family. He had threatened to take his life several times previously.

### Little Boy Shoots Mother.

York, Pa., May 27.—Gleefully playing the "hunting game" 5-year old Ernest Dole yesterday shot and killed his mother, Mrs. Frank Dole, at Anville.

The mother had gone to the front veranda for a few minutes and during her absence the boy placed a shell in an old gun, as he had often seen his father do. He pointed the gun toward the door and when the mother returned the little fellow pulled the trigger. The full charge struck the mother, blowing away a portion of the head and causing death instantly. The little fellow, realizing that his mother had been injured, piteously begged her to talk to him. When she did not answer he became frantic with grief.

A Coroner's jury in charge of Justice of the Peace Posey, rendered a verdict of accidental death.

### Attempt Made to Burn Town?

Elkton, Md., May 27.—The breaking out of four fires at different times in the business section of this place early today has created the belief that an attempt was made to burn the town. In each case kerosene was used. The town council has offered a reward of \$250 for the arrest and conviction of the fire bugs. The concerns which suffered losses are Robert B. Frazier, druggist, Wallers Photograph Studio and stables occupied by Rambo and George, ice dealers. King's hardware store was ignited but the fire was extinguished without damage.

### Died in Doctor's Office.

Winston-Salem, N. C., May 25.—Walter Kiger, forty years old and unmarried, died in the office of Dr. S. S. Flynt, at Rural Hall last night. Kiger, whose home was at Rural Hall, returned there last night from a trip. He was sick with something like colic and during the early part of the night he called at the home of Dr. Flynt and secured some medicine, after which the doctor gave him permission to sleep in his office. This morning when Dr. Flynt opened the door of his office he found Kiger dead.

### Can't Find an Honest Agent.

Jackson, Miss., May 27.—Because it is claimed to be impossible to get an honest negro to act as agent, the Southern Express Company has asked the Railroad Commission for permission to close its office at Mound Bayou, Miss., on the line of the Yazoo & Mississippi Valley Railroad. Mound Bayou is an exclusive negro town of 3000 population. A month ago the negro express agent abandoned with \$150 and recently his successor had to be sent.

Sandy Hook, Ky., May 26.—Special Judge Redwine today refused to preside in the trials of Judge Hargis and his alleged co-conspirators charged with the murder of Dr. Cox. Governor Beckham therefore must appoint a special judge.

Judge Redwine said the case had been transferred here without his knowledge or consent, and because of certain statements in the press of the State he felt that it would be impossible for him to preside.

### THE POWER OF STEAM.

Many May See But It Takes Genius to Realize.

When James Watt saw the steam causing the kettle lid to jump up and down he said "There must be power in that steam that it can lift such a weight."

There was. Millions prior to him had seen the same phenomenon and regarded it as an unexplained mystery.

Recent scientific research has put its finger on the "cause" of Condensate, Falling Hair, and consequent Baldness, and has unearthed a tiny germ which eats the life from the roots of human hair.

Newbro's Herpicide destroys this germ and consequently restores the hair to its natural state.

### "Come In Out of the Wet."

Silly Billy wants a kiss, sitting in the rain. Why should she deny him this? Answer's very plain: Can the fire of love be warm (heat my language—mark!) Weak kidneys, a sure sign of weak kidney nerves. The kidneys, like the heart and the lungs, are the great filters of the body. They filter out of the blood all the waste and poisons, and return to the system only the pure and healthful elements. If the kidneys are weak, the blood is impure, and the system is diseased. Capudine is a powerful medicine that restores the strength of the kidney nerves, and returns the blood to its normal purity. It is a sure cure for all kidney troubles, and is sold by all druggists.

### WOMEN'S WOES

Concord Women Are Finding Relief at Last. It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing down pains; they must stoop over, when to stoop means torture. They must walk and bend and work with racking pains and many sores from kidney ills. Kidneys cause more suffering than any other organ of the body. Keep the Kidneys well and health is easily maintained. Read of a remedy for Kidneys only and that helps and cures the Kidneys and is endorsed by people you know.

Mrs. J. N. Brown, 168 North Union street, Concord, N. C., says: "I can highly recommend Doan's Kidney Pills for I used them and found out their great merit. My back and kidneys have bothered me for a number of years. Learning Doan's Kidney Pills were a good remedy, I procured them at the Gibson Drug Store. They gave me more benefit than anything I ever used."

For sale by all dealers. Price 60 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

An original girl is one who faints when no one is looking at her.

### More News From the New England States.

If any one has any doubt as to the virtue of Foley's Kidney Cure, they need only to refer to Mr. Alvin H. Stimpson, of Willimantic, Conn., who, after almost losing hope of recovery, on account of the failure of so many remedies, finally tried Foley's Kidney Cure, which he says was "just the thing" for him, as four bottles cured him completely. He is now entirely well and free from all the suffering incident to acute kidney trouble. Sold by D. D. Johnson.

Prompt payment of pew rent is not enough.

### Wonderful Eczema Cure

"Our little boy had eczema for five years," writes N. A. Adams, Henrietta, Pa. "Two of our home doctors said the case was hopeless, his lungs being affected. We then employed other doctors but no benefit resulted. By chance we read about Electric Bitters; bought a bottle and soon noticed improvements. We continued this medicine until several bottles were used and our boy was completely cured." Best of all blood medicines and body building tonics. Guaranteed by all drug stores, 50c.

Spring fever is merely a seasonable name for laziness.

Don't Pay Alimony. To be divorced from your appendix. There will be no occasion for it if you keep your bowels regular with Dr. King's New Life Pills. Their action is so gentle that the appendix never has cause to make the least complaint. Guaranteed by all drug stores. 25 cents. Try them.

Opportunities are far more plentiful than prophets.

### A Narrow Escape

G. W. Cloyd, a merchant, of Plunk, Mo., had a narrow escape four years ago, when he ran a jimson herb into his thumb. He says: "The doctor wanted to amputate it but I would not consent. I bought a box of Buckle's Arnica Salve and that cured the dangerous wound." 50c at all drug stores.

A lot of boys will follow where they can not be driven.

### Notice to Our Customers.

A woman's idea of economy is to have things changed.

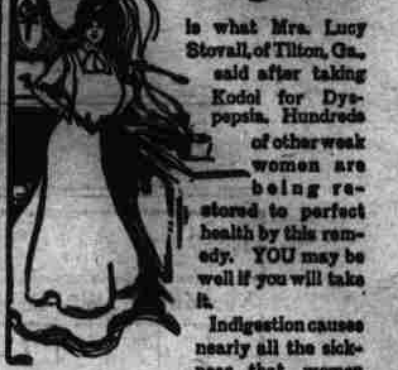

Let me mail you free, to prove merit, samples of Dr. Shoop's Restorative, and my book on either Dyspepsia, The Heart or The Kidneys. Address me, Dr. Shoop, Racine, Wis. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment and not the cause. Weak Stomach nerves—the inside nerves—means Stomach weakness, always. And the Heart and Kidneys as well, have their controlling or inside nerves. Weakens these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, indigestion, bad breath or complexion, use Dr. Shoop's Restorative sold by Gibson Drug Store.

A lot of graft clothes itself in "eminent respectability."

For catarrh, let me mail you free, just to prove merit, a trial size box of Dr. Shoop's Ocular Remedy. It is a snow white, creamy, healing ointment that gives instant relief to catarrh of the nose and throat. Make the free test and see. Address Dr. Shoop, Racine, Wis. Large Jan 50c. Sold by Gibson Drug Store.

### DO YOUR CHILDREN ASK QUESTIONS?

Of course they do. It is their way of learning and it is your duty to answer. You may need a dictionary to aid you. It was't an answer every question, but there are thousands to which it will give you true, clear and definite answers, not about words only, but about things, the sun, moon, machinery, places, stories and so on. Then, too, the children can find their own answers. Some of our greatest men have ascribed their power to study of the dictionary.
