BIG PICNICS

TWO COUNTY EVENTS OF YESTERDAY

Picnic and Reunion at the Gillon School House in No. 3 and the No. 10 Reunion of Old and Young Citizens—Great Crowds at Each Place and a Thoroughly Good Time Had by All—Senator Overman Spoke at Gillon and No. 10 Had Speeches and Athletic Events with prizes.

Yesterday was one day of more than passing interest in the good old county of Cabarrus, there being two events of much interest to the people of the county, as well as to many outside our own borders. Two picnics of county-wide importance on the same day is an unusual thing, even in Cabarrus, noted for its many happy gatherings and meetings. This was the record of yesterday, and the Gillon school reunion and picnic, at the Gillon school in No. 3 township, and the reunion and picnic in No. 10 township were the events which bereft Concord of so many steady citizens and the entire county of so many. From other counties came visitors to spend the day at the gatherings, some to one, some to the other.

One year ago there was a picnic and reunion of old scholars at the Gillon school, and the day was such a pleasant one, so much enjoyed, that the event was at once made a permanent one, and yesterday marked the second gathering at the favored spot in one of the choicest sections of the county.

Some time ago some loyal son of No. 10 conceived the idea of having a reunion of all the Number ten boys and girls and to make the gathering one great big picnic, such as only No. 10 knows of. The idea at once seized upon all the home-stayers and spread to every loyal son and daughter of the old township within reach. Quickly the date was named and the promoters began to get busy arranging for the big day at Sossamon's springs, a place always interesting and one ever appealing to residents of No. 10. The call "to home" sounded loud and clear, reaching to the far quarters of the state and nation and many at once began to plan a trip "back home."

The streets of Concord were apparently deserted yesterday, for so many of our people are near these two sections that the fine opportunity to get an outing and visit old scenes and old friends could not be missed, and to the field they went. Hundreds of people from Concord were out yesterday and many from other counties were there to spend a happy day among old friends. Each event was in every particular a success. A high-water mark was reached at each place and Cabarrus will long remember August 7th of 1907.

A BIG DAY IN NO. TEN

(Correspondence Tribune.)

Number 10 was "at home" to all her friends Wednesday, the 7th day of August, and fully three thousand people were present from Cabarrus, Mecklenburg, Stanly, Rowan and Union counties. People who had not been to Sossamon's for 40 years were at the reunion and every thing was as nice and pleasant as could be.

Col. W. G. Newell presided and made an address of welcome, extending a cordial welcome to all the visitors. Following Col. Newell, there were speeches from the "old boys," the first being Mr. John DeJernett, who left the state 40 years ago and has for a number of years been

living in Oklahoma. Mr. C. H. Dorton, of Concord, was next called and responded in a neat and attractive speech. Rev. W. A. Hough, of the Baptist church at Cornelius, was the next speaker, who was followed by Superintendent C. E. Boger, a Number 10 boy who is so well and favorably known. Mr. Jake F. Newell, of Charlotte, was the last, and he made a fine talk, a jolly, good natured and witty speech.

Letters were read from several of the out of the county "boys" who were expected but could not attend, among these being one from Messrs. J. F. Shinn, of Norwood, Robt. N. Cook, of Bargton, Ky., Rev. L. A. Aycock, of China Grove, and C. G. Montgomery, of Montgomery, Ala.

Mr. J. E. Dorton, of Salisbury, made a short talk in which he praised the Number 10 boys.

After a magnificent dinner on the ground, the games offered for amusement, and which carried the list of prizes given Monday, were held and prizes awarded as follows: Fiddlers Contest, prize went to Hans Foster; foot race, prize to John Russell; foot race, grown men, won by Jim Gurley; three legged race, won by Ernest Biggers and Chas. Linker; long standing jump, prize going to James Kiser; long running jump, James Kassiah. Miss Lou Linker won the prize in the voting contest for the most popular young lady.

THE REUNION AT GILLION SCHOOL

The second annual reunion of the old scholars of the Gillon school was held yesterday and was in some particulars more of a success than the last year event. There were fully fifteen hundred people on the grounds and among these were many of the former pupils of the 60's, though not perhaps as many as were present last year.

The following old scholars answered to their names on roll call:

M. M. Gillon, W. D. Gillon, Allie (Gillon) Isenhour, LaFayette Demarcus, John F. Demarcus, Alonzo Demarcus, Angeline (Demarcus) Van Pelt, Sarah (Demarcus) Overcash, John Rumpel, Tillman Rumpel, Ann Rumpel, Sarah Rumpel, James Fisher, Caleb Seaford, John A. Rankin, Will Bell, J. S. Harris, Mattie (Harris) Deal, Will Allison, J. J. Cochran, S. R. Andrews, Bettie (Andrews) Litaker, Mary G. (Andrews) Johnson, Jno. A. Sims, Nancy (Benson) Sims, Alice (Benson) Rogers, Mary (Goodnight) Hegler, Sallie J. (Miller) Anthony, Susan (Steele) Downam, Mary Steele, Alene Steele, Jane (Underwood) Andrews, Ann (Atwell) Archer, N. M. Sims, Moselle (Sims) Rumpel, T. S. Van Pelt, S. E. Van Pelt, Malissie (Fleming) Gillon and C. O. Gillon.

Mr. Simpson Patterson, of Rowan county, who is the only teacher now living that ever taught school at Gillon school house, attended the reunion last year, but could not be present yesterday on account of ill health.

The Forest Hill band from Concord furnished music and from early in the morning through the day there was a happy people, men, women and children enjoying the day. Senator Lee S. Overman was present and made a speech. Mr. Overman was at his best on this occasion and made a speech of great force and fact, one thoroughly enjoyed by all who heard him. Mr. Mebane, who was invited did not get there.

There were a number of the old pupils in attendance and every one seemed to thoroughly enjoy the day, everything passed most pleasantly, with the exception of several accidents which occurred during the day.

After the exercises officers were elected. Mr. John Cochran

INSPECTION FOR FREE MAIL DELIVERY

Inspector Here Giving the Matter a Careful Looking Into—It is Likely That We Will Have Free City Delivery Some Time Soon.

Mr. V. E. Albertie, representing the postoffice department at Washington, spent yesterday and today in the city with a view of securing for Concord a free delivery of mail service, something our people have been long interested in and which to all appearances we have for a number of years been entitled to. The survey was made for this delivery some two years ago or more and Mr. Albertie had the old route and survey, though; he will no doubt report some several changes in that and his report to the department will be on a somewhat different basis. The plan is for three carriers and something like twenty or more collection boxes at convenient places about the city.

Of course nothing definite can be said as to the service, but it is pretty generally understood that Mr. Albertie's report will be favorable to the city and that the department will be asked to consider giving Concord the service at as early a day as is possible, which would at best mean several months.

Postmaster Buchanan is very much interested in the matter and is anxious to secure for the city this service, and it is most likely that at some early date we shall know more about the effort to secure the free delivery.

KILLED HIS WIFE

Johnson County Man Shot and Killed His Wife and Then Makes his Escape—Efforts Made to Capture Him.

Selma, N. C., Aug. 8.—Ransom Godwin, a well to do farmer, who lives in Johnson county, five miles from Kenly, on Tuesday night shot and killed his wife. Godwin is 65 years of age and the woman he shot is his third wife. He had been drinking heavily of late and had whipped his wife lately. On this evening he returned much under the influence of whiskey and calling his wife to the door shot her dead and then fled. Feeling is strong against the man and every effort is being made to capture him.

Jaws Lock on Ice Cream

Hardingville, N. J., Aug. 7.—While feeding her little grandchild, Katie Bowers, aged 9 years, a plat of ice cream, Mrs. Rachael Hoffman noticed that the child's jaws had suddenly locked. Leaving the child a minute while she notified the rest of the family, the grandmother was horrified on her return to find the child lying dead. An eight-inch splinter recently ran into the girl's foot and was extracted by a doctor. The child was the daughter of Charles Bowers, of Moorestown.

being elected president and historian and Messrs. M. M. Gillon, and Jno. A. Rankin and S. R. Andrews being named as the executive committee. These gentlemen will have charge of arranging for further reunions.

Mrs. Margaret Goodnight, an aged lady, fell and broke her arm. Just how the accident occurred is not known, but she fell in some way and sustained the injury.

Another accident occurred early in the morning. There was a "shooting gallery" on the grounds and a bullet was shot wild of the mark, struck a nail and glanced, striking Mr. G. L. Irvin on the head inflicting a painful but not serious wound.

A third accident which occurred on the grounds was one to a child. The child fell and was hurt.

EDUCATIONAL RALLY

Mass Meeting on the 22nd to Which All Teachers, Committeemen and Those Interested in Education Are Invited.

On the 22nd of August the teachers, committeemen and all friends of education in this and adjoining counties, are invited to a grand educational rally at White Hall. Superintendent Chas. E. Boger is promoting the mass meeting, as above indicated and will make this event one of the foremost of years in point of attendance and interest. Dr. John C. Kilgo, president of Trinity College, has been invited and will be present to make an educational address. Dr. Kilgo is one of the foremost educators and speakers of the entire South and this will be a feature of the day well worth attending. It is earnestly desired that every school in the county be represented as a district organization and march in the procession, each school carrying its own banner. Many forms of amusement and entertainment will be provided, full particulars of which will be given later.

PARDON IS REFUSED

Governor Glenn Refused to Pardon a Cabarrus Man Along With Others.

Governor Glenn has heard applications for pardon from a number of applicants, among them Ed. Johnson of Cabarrus, and on yesterday refused to grant the pardons asked for. In refusing to pardon Johnson the Governor said:

"Ed. Johnson, defendant was convicted January term 1906, Cabarrus court, of larceny, and sentenced to four years. Defendant had a fair trial and jury convicted him, and sentence of the court does not seem to me excessive. As he has only been confined a little over a year, I cannot for the present at least consider his application for pardon."

Johnson is serving a term on the county roads for larceny, or receiving stolen goods, having been convicted along with others in the matter of getting goods from the railroad here.

BRYAN AND GLENN TO SPEAK AT GREENSBORO

Greensboro, Aug. 8.—Governor Robert B. Glenn has accepted the invitation of the Central Carolina Fair Association to be here on October 16th, and introduce Col. William Jennings Bryan, who will make an address at the fair grounds on that date.

Colonel Bryan sometime ago accepted the invitation of the association to be present and speak on Wednesday of fair week. The event promises to be one that will be full of interest for the county and state.

Extra Session of Georgia Legislature.

Atlanta, Ga., Aug. 8.—It is now positively certain that Governor Smith will call an extra session of the legislature in order to complete important legislation. Only 8 days of the regular session remain and on account of the time taken up in passing the prohibition law many important matters have not been attended to.

Pitchfork Pierces Mouth.

York, Pa., Aug. 7.—To land on a pitchfork and have one of the tines enter the chin and penetrate through the roof of the mouth, and then calmly remove the steel, was the experience of Phares Gochenour, 13 years old, while descending from a haymow on a farm near Mt. Royal, this county, last night. The youth was bleeding profusely, but he walked courageously for assistance, after which he fell to the ground unconscious. He is in a critical condition.

We Can Positively Save You Money on

Iron Beds

Another car on the floor, having just come in. We bought these beds 25 per cent cheaper than they can be purchased today. Come and make your selection and let us prove to you that you can save money by buying now.
