DEATH OF REV. Z. V. RUSH

Aged Minister of the Gospel Passed Away This Morning at Mt. Gilead—Bury at Mt. Pleasant.

A telegram this morning announced the death of Rev. Zeb- edee Rush which occurred at 4 o'clock this morning at the home of his son-in-law, Mr. C. W. Wooley. The remains will reach Concord to-night and be taken to Mt. Pleasant to-morrow for burial, the funeral being held at the Methodist church at 11 o'clock in the morning.

The death of Mr. Rush removes one of the oldest ministers of the church in this State. Mr. Rush was 83 or 84 years of age. He was stricken with paralysis last fall and had been since that time in bad physical condition.

Mr. Rush was for many years an active minister of the Methodist church and served many churches in this section of the State. He was pastor at the Mt. Pleasant church and here are buried his wife and one daughter. Mr. Rush also lived in Concord during his active ministry and served a group of churches in the county. His retirement was due to feeble health and age, for some years he had not been actively engaged in the ministry. His death will be heard with much regret by a large number of warm friends and admirers in this city and throughout Cabarrus county. Much of his time of recent years was spent in this city with his daughter, Mrs. D. L. Bost, and all loved the quiet and Godly gentleman. Most of his time was spent between Concord and Mt. Gilead with his two daughters the only children living.

Mr. Rush was so well known to the people of this city and county that nothing needs be said of his life—a long and useful life spent in the service of his church and for the best good to his fellow men and the community. His service was of a high order, his life spent in preaching his Master's gospel and at peace with his fellow man. A good man has gone and his place will be vacant in the lives and hearts of many.

Hummel Delays Thaw Trial.

New York, Sept. 5.—Because Abe Hummel is in a precarious condition, physically and mentally, in Blackwell's Island penitentiary, District Attorney Jerome is unable to fix a date for the trial of Harry K. Thaw, charged with the murder of Stanford White. Hummel's testimony is considered of capital importance for the prosecution, as it directly contradicts a large part of the testimony of Evelyn Thaw.

Hummel, once one of the keenest lawyers at the New York Bar, has sunk into a state of lethargy in the prison hospital, according to Dr. Sigmund Tynberg, president of the Board of Medical Control of the penitentiary. It is possible that he may never be able to go on the witness stand.

Knocked Down by a Mail Wagon.

Winston-Salem, Sept. 6.—Esq. P. T. Lehman, a well-known justice of the peace, of this city, had a very narrow escape from serious injury about 2 o'clock yesterday afternoon when he was struck by the United States mail wagon and knocked to the pavement. His head struck the pavement, but fortunately for him in the fall his hat doubled up and acted as a cushion, thus preventing his head from coming in contact with the hard pavement. The Squire suffered a painful, though no serious, wound in the breast, by being struck by one of the shafts. He was also bruised on the right hip by the fall.

IMPORTANT MEETING NEXT WEDNESDAY

The Cabarrus Association of the McIver Loan Fund to be Held at Central School Building.

On next Wednesday morning at 10 o'clock there will be an important meeting of the Cabarrus Association of the McIver Loan Fund at the Central Graded school building. It is urged that all members and friends of the association be present on this occasion, as business concerning the association and its affairs will be discussed.

The Cabarrus association has not a large membership, but it is hoped that all alumnae of the State Normal will enroll their names in the membership column and subscribe liberally to the amount the association has taken upon itself to raise.

A Family Reunion in the County Thursday.

There was a family reunion at the home of Mr. John Fishers in No. 11 township last Thursday, which was attended by a number of friends as well as members of the immediate family of Mr. Fisher. Talbirt and wife, Mr. and Mrs. Joe Fisher, and Dr. J. E. Smoot, of Concord, Mr. and Mrs. J. M. White and Mr. and Mrs. W. J. Brafford, of the county. Dinner was served on the grounds and a most enjoyable time spent on the lawn. Mr. Fisher is 77 years of age and has recently recovered from a very severe illness. Mr. Brafford, one of his guests on this occasion is 81 years of age and in splendid health.

Crisis in Telegraphers Strike is Looked for Tuesday.

New York, Sept. 6.—Officers of the telegraphers union state to-day that important developments in the telegraph strike may be expected next Tuesday, when the board of directors of the Western Union will hold its regular quarterly meeting. The union officials decline to state the nature of the developments, which, they claim, will force the telegraph companies to capitulate.

Nearly two hundred strikers have obtained other positions since the strike, according to a statement made by a leader of the union to-day.

Officials of both telegraph companies declare to-day that the strike is over so far as the companies are concerned.

The Dog Was Mad.

Wilson, Sept. 6.—Saturday morning Mrs. Farmer, wife of Mr. Joe Farmer, who conducts a country store three miles from Wilson, went out in the yard to get stove wood when a strange dog attacked and bit her. She caught the dog by the ears and screamed and held the dog until her husband came to her rescue, during which the dog also bit Mr. Farmer and afterwards a negro. The dog's head was expressed to Richmond, Va., for examination for rabies, and last night a telegram was received here stating that the dog was mad. Mr. and Mrs. Farmer and the negro left last night for the Pasteur institute at Richmond for treatment. About \$100 was raised here today towards defraying their expenses.

To Take Exposition Site.

Washington, D. C., Sept. 5.—It is practically certain that the Federal Government will eventually take over the Jamestown Exposition site and turn it into a great naval training station, for it is now apparent that the Exposition Company will never be able to pay back the whole of the \$1,000,000 loaned from the Federal Treasury.

The Treasury Department to-day received \$50,000 from the Exposition, which makes over \$100,000 so far applied to the liquidation of the debt.
