## Can Curtis Turner Repeat His Performance?

HILLSBORO, N. C. — Can Curtis Turner repeat his performance of 1956 at Hillsboro's Orange Speedway this season?

That's the big question facing the NASCAR national convertible championship circuit as the open top speedsters get set for one of their fastest and most important races of the season at Hillsboro's nine-tenths of a mile track next Sunday afternoon.

Turner won both 100-mile races at Hillsboro last season with a 1956 Ford, but the Roanoke, Va. ace also accounted for 22 wins in the convertible loop last year.

Since that time the competition has been considerably stronger and Turner went through the first three races without a single victory before finally cracking the ice at Greensboro in the fourth race of the season.

Their four-room wooden home in the Jerusalem community burned that Sunday afternoon after Mrs. Ijames was believed to have kindled a fire in the stove and tossed gasoline on the flames. The stove exploded, throwing the flames over her and igniting her clothing. She had been a patient at the hospital since that time.

## Rebels Lose Opener

Davie lost its season's opener with Rockwell Wednesday afternoon 3-2, but they apparently have the makings of an excellent team. The hitting looked fairly good and was scattered throughout the line up, and it was apparent that they will be hitting the long ball frequently. The Rebels took the lead in the opening frame when, after two were out, Mackie Deadmon and Lester Allen hit back to back triples. In the top of the third, Clarence Driver singled to right, advanced to second on Leonard Shelton's single, went to third on an error, and scored on Mackie Deadmon's sacrifice fly to give the school a 2-0 lead, but they were unable to hold it. Rockwell broke through in the fourth to tie the score on a scratch hit, a fielder's choice, a base on balls, and two costly errors, and added the winning run in the fifth on a bouble by Smith and singles by Holhouse and Morgan. Smith was the winning pitcher, while Allen Bailey was given the loss. Mackie Deadmon and Leonard Shelton led the hitting with two for three each.

The Davie Pitching staff showed a surprising amount of talent, with starting pitcher Driver striking out five of the six men he faced. H. T. Meroney also showed he has improved giving up only one punch hit in two innings he worked. Allen Bailey had some trouble at first, but he soon settled down and pitched his way out of both innings, although he was touched for a run in the fifth.

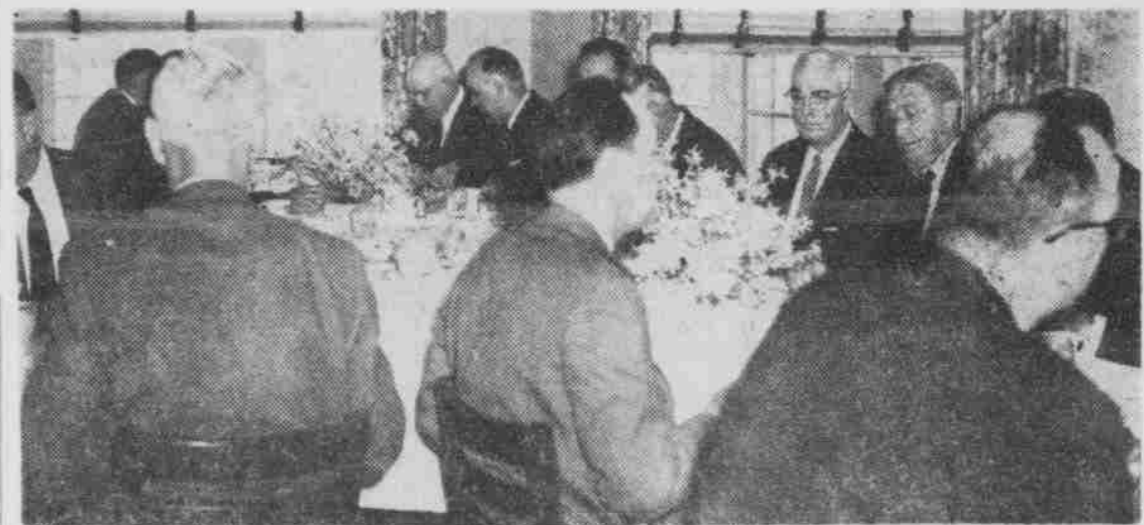

In general the team appears well balanced, and should be able to hold its own in the conference.

Sales of U. S. Savings Bonds during the month of February amounted to \$3,750,721.92, bringing the cumulative sales for January and February to \$8,531,810.00. This amount is 15.7 per cent of the annual Savings Bonds goal of \$54,400,000.00.

There's a good chance that Tim will be on hand Sunday, but with a 1957 Mercury rather than a Chrysler, and two other members of Kiekhaefer's racing team, Buck Baker of Charlotte and Speedy Thompson, also of Charlotte, will also be on hand. Baker and Thompson will both be driving 1957 Chevrolets.
