Say MR. AND MRS. R. L. McBRIDE OF ROUTE 3, NEW WALKERTOWN ROAD

Route 3 New Walkertown Road Winston-Salem, North Carolina
June 16, 1964

Duke Power Company

During June, 1962, we decided to change our heating system. After investigating all types of heating systems, we switched to flameless electric heating because: switched to flameless electric heating because:

Note: Electric heating is cleaner than anything we have used in the past.

With individual room control, we may select wooler temperatures in our bedrooms than in the remainder of the house.

Electric heating is economical. Our total electric bill for all service only cast us \$26.07 electric bill for all service only cast us \$26.07 make this cost even less.

As an additional convenience, we are taking advantage of Duke Power's equalized payment plan, which permits us to pay for all our electric service in equal monthly payments.

We would definitely recommend electric heating to myone considering a new heating system for their existing home.

Signed: Mr. and Mrs. Robert MeBride

More and more Carolinians are enjoying the exclusive advantage of FLAMELESS ELECTRIC COMFORT HEATING . . . not only are they pleased with the reasonable cost . . . but with the convenience of individual room thermostats.
