

THE MOUNTAINS ARE CALLING NOW—Everybody, it seems, either went to the mountains last Sunday, or wanted to go. Those who did and went on the Parkway saw scenic beauty in a glorious mantle of colors. Our Journal photographer made this picture, and others, on a trip along the Parkway last Sunday. It was a beautiful day with just a touch of crispness in the air to bring out all the love of the great outdoors.

SHUCKS! THEY'RE STALKS—The corn has been gathered in the fertile fields of the mountains all along the Blue Ridge Parkway. The ears have been shucked and the remainder of the corn is just waiting to be shredded into feed to fatten some of the finest cattle in the country, along with the plain old milk cow. This scene taken in Doughton Park, on the Parkway, makes you realize that Halloween is nearly here.

THERE ARE LEVEL SPOTS IN THE MOUNTAINS—This scene shows one, of many, beautifully grassed spots along the Blue Ridge Parkway. It seems that a long the highway when one notices that man has gone in to make the beauty of the mountains accessible that he has, at the same time, aided nature by beautifying the spots that were marred by pavement so that you and I could ride along in comfort and literally absorb the wonders of nature.

ROCK OF AGES—Along this road, cut through rock, are some beautiful rock banks that bring back to the mind that fine old hymn, "Rock of Ages". Studying these rocks one can make out all kinds of figures. Rocks provide a ruggedness to the mountain that enhances the beauty of the trees and foliage.

P. O. Increases Envelope Cost

New prices for stamped envelopes are now in effect at all post offices. Postmaster Bill White announced today. The price of a 5-cent stamped envelope, for example, is now 7-cents when purchased singly or in quantities of less than 500. This is an increase of one cent above the previous single purchase price.

"Price increases are necessary to meet the legal requirement that stamped envelopes shall not be sold for less than cost," Mr. White explained. "At present contract prices, the stamped envelope service was incurring a loss exceeding \$3 million annually." This is in spite of the fact that the new contract for stamped envelopes, which became effective January 1, '65, resulted in lowered costs of \$1.5 million per year compared with the previous contract.

"The new envelope, which exceeds all required specifications as to capacity, bursting strength, and adhesive quality, looks slightly different," he continued. "The major changes are in the design of the flap and the shade of the paper." The flap is now pointed rather than rounded and the paper used is for a brighter shade.

Prices for quantities of 500 envelopes or more can be obtained from the local office. A limited number of envelope price lists are available to those customers who purchase printed stamped envelopes in quantities.

Davie Bags 59-6 Win

The Davie High Rebels traveled to Troutman High Friday night and they did not stop traveling until they had defeated Troutman by the whopping score of 59-6. It didn't take Earl Shoaf and the "Untouchables" long to put the Davie fans at ease as Randall Ward took the ball over from two yards out for the first score. Shoaf ran the extra point for a 7-0 lead. To erase any doubt as to the outcome a few minutes later Ronnie Foster recovered a block punt in the end zone for the second tally. Again Earl Shoaf ran the extra point.

In the second quarter Donald Beck took off to the races with a 72 yards scoring jaunt. Randall Ward scored his second TD of the night before the half ended from five yards out.

On the ensuing kick-off Morrow took the ball and headed for the goal line 80 yards away for Troutman's only score. The score at the half was 27-6. In the second half Coach Ward gave his reserves a little more experience but they could not be held down. Mike Branham ran 20 yards for a touchdown. Earl Shoaf ran for a touchdown from two yards out. Donald Beck got into the act again by picking off a Troutman pass and dashing twenty yards for his second score. In the fourth quarter Garland Allen ran two yards for a score and Jerry Hendrix climaxed the scoring with a scamper of 55 yards. Tommy Bruebaker caught a pass from Shoaf for the extra point. This made the score 59-6 and another win toward the Conference Championship. Davie faces West Forsyth Friday night for its toughest test of the season. They have a rough team and should give Davie its best game since Chase High.
