Garbage Disposal To Be Regulated

The Davie County Board of Commissioners adopted an ordinance at their meeting Monday to regulate the collection and disposal of garbage and trash throughout the county.

H. R. Hendrix, Jr., chairman of the board of commissioners, said that quite a problem had developed throughout the county because of indiscriminate disposal of garbage and in many instances health hazards were created.

The new ordinance will regulate the collection and disposal of garbage and trash in the county outside the incorporated municipalities and provides for private contract collectors to be licensed upon application by the board of commissioners. The permits shall be renewed annually, effective on the first day of July of each year. Evidence of the permit and the permit number is required to be displayed on each vehicle used by licensed collectors in the collection and disposal of garbage.

The licensed collectors will operate in definite designated areas.

The ordinance provides that garbage trucks used by the collectors be constructed as to be water proof and substantially equipped so as to prevent wind-blown trash.

The garbage pails are to be provided by the customer in a capacity not to exceed 35 gallons and equipped with a lid to prevent the entrance of insects or rain. All equipment and methods of dumping must conform with the regulations of the County Health Department.

The minimum garbage collection fee will be \$1.50 to \$2 per month for pickup at the curb once a week and a minimum of \$2.50 to \$3 per month for pickup at the door once a week. Special arrangements may be made between collectors and clients for additional or special services.

The ordinance provides that no garbage be stored in any thing other than a container equipped with a lid sufficiently closed to prevent the entrance of insects or rain and then early for a period not to exceed one week.

It also provides that no person shall dispose of garbage other than at an approved sanitary landfill approved by the District Health Department. However, this does not prevent any person from the disposal of garbage from his own residence or business establishment by burying it in a safe and sanitary manner on his own premises. Also, garbage and trash may be burned by any person on his own premises on approval of the District Health Department under rules and regulations to be adopted by the board.

License Plates Are Now On Sale At Mocksville

Over 2,400,000 license renewal applications cards for obtaining 1966 license plates were placed in the mail on December 16. The Department of Motor Vehicles Officials say: "Please tell us if by January 1 you did not receive this all-important card necessary for obtaining a new plate."

The proper procedure is to write to the Department of Motor Vehicles, Raleigh, giving the make and identification number of the vehicle, the last year's tag number and the registered owner's full name and complete address. The department will then prepare and send another application card as quickly as the volume of requests can be handled.

1965 plates expire December 31st and their use beyond that date is permissible only if they are duly registered by the department to the vehicle on which display is made. Owners who have their vehicles properly registered by the department have until February 15th to obtain new plates.

Surrounding area residents may obtain their 1966 plates at Mocksville Home and Auto Supply 135 Salisbury Street beginning January 1, 1966. Office hours will be: 9:00 A.M. to 5:00 P. M. Monday thru Saturday. Will close at 12:00 on Wed. after February 15th. The local agent, R. C. Glascock says that it will greatly expedite the issuance and keep long lines from forming if you will "open your application cards and complete them in accordance with instructions before presenting them for new plates."

Pvt. Jerry Spry, son of Mr. and Mrs. Grady Spry, Sr. of Coolee, is in Korea serving his country and at the same time doing something very helpful for a group of orphans in that country. Jerry's mother received a letter from him asking if the ladies of the First Baptist Church would contribute clothing to the boys and girls of Kwang Tan Orphanage in Korea. Mrs. Spry called the President of the Woman's Missionary Society about this. Immediately, Mrs. A. T. Lewis, the president, called the circle chairmen of the four circles and plans were made to collect clothing and send to Jerry to be given to the children of this orphanage. The ladies sent seven large boxes filled with nice clean, used and mended clothes, plus a lot of new clothing.

Many of the soldiers in the same barracks with Jerry, have also helped these small children by helping to supply them with the necessities that really means something for the survival of these children. This is a wonderful thing for these boys to do with all the trouble in the various parts of the world. Jerry and the other soldiers are to be commended for the interest in the welfare of these orphans. The ladies of the First Baptist Church were very happy to be able to send clothing to Jerry, but when they received the following letter saying what a nice Christmas they had because of the clothing, they were so thankful that they had a part in making a happy Christmas for Jerry and the children.

December 29, 1965

Dear Mrs. Lewis and Ladies of W. M. U.:

Hello and a warm Christmas greeting from Korea. Just a few lines to let you know that we had a very nice Christmas and was thinking of my family, friends, and especially the W. M. U. I want to thank you and Mrs. Spargo for taking time from your busy day to pack and mail the boxes. They arrived in very good shape and in time for Christmas. We took the clothes down to the orphanage Christmas and I wish each one of you could have seen all the joy and happiness I got to see. These kids here are starved for a little love and need so much help. I made quite a few snapshots and will send them to you as soon as I get them back. Things are fine here but its very cold. Tonight its down to 8 degrees below zero and we had a white Christmas. We still have snow, but its only in spots. It was hard being away from home but these kids kept me pretty busy, but I enjoyed every minute. Mrs. Lewis, thanks very much for making my Christmas and my orphan kids a happy one. I am very proud to be a member of the First Baptist Church which has dedicated women as we have of the W.M.U. Thanks very much and these kids will never forget the women of First Baptist Church.

Thanks very much,
Yours truly,
Jerry Spry

Church Women Postpone Meet

The Churchwomen of the Coolee and Fork Episcopal churches will meet on Wednesday, January 26, at 7:30 P. M. at Coolee for a program on the Religious Life of the Anglican Communion.

This meeting was postponed from January 19th to the 26th. All members please take note.

H-D Club To Meet Locally

The Coolee Home Demonstration Club will meet on Friday at 7:30 at the home of Mrs. M. H. Ridenhour. All members are urged to be present.

Local Fires Are Reported

Tuesday evening both fire trucks were called to 22 Watt Street where a Volkswagen was on fire. Last Friday morning the No. 1 Dept. truck was called to the Woodson farm about 6 a.m. to extinguish a small fire at the home of Mr. Floyd McSwain. A table and a hole in the floor, was the only damage. At 5:30 p.m. a house trailer was completely destroyed by fire on Mocksville, Route 4, on the Willie Williams farm.

S/Sgt. Gilmer Mitchell arrived here on Sunday, after being in Viet Nam. He is visiting his parents, Mr. and Mrs. Floyd Mitchell. His wife and two children have been living in Salisbury while he was overseas.

Library Is On The Move

By A Staff Member
Well, the notices are out that we are really working now on getting a few things settled in the new library, preparatory to the final "Great Moving Day"! Questions are coming thick and fast as to just what we are doing since we are closing each Monday morning and Wednesday afternoon to work in the new building. Let us tell you a little about our activities.

If we think they are accelerated now, we'll probably find ourselves getting around as rapidly as those funny characters in the old "Perils of Pauline" moving pictures before things finally quiet down to some kind of routine again!

But even though this project, too, is fraught with minor perils, like learning how to manage light switches, the telephone intercom system, thermostats, finding the right places for myriads of small items that are needed now to continue our work, (and even deciding to paint the inside of a display case!), several larger accomplishments are now ticked off.

A good start has been made on getting the Davie County History Room in usable order, and desks are placed and in use for "Miss Flossie" Martin and James W. Wall, county historians.

And the picture file — We have sorted out, partially discarded, or organized and re-organized according to subject matter, boxes and boxes of picture material which had been (necessarily) stored in a most haphazard and unsatisfactory manner in our former quarters. This is filed in special files where the reference librarian on duty will be able to locate it for you without being a detective. Oh, joy! This material will gradually be increased as more accumulates.

Display materials have been stored in accessible order, too. Last week, was also the week for some of the furniture to arrive unassembled and be set up and placed, a high point of the whole event! So soon we can begin thinking of "all those books" and other things which can be moved. And we are not forgetting what a blessing our many kind volunteer workers will be during all this!

Oh, yes! And the coffee pot! Twice a day we allow ourselves the luxury of a quick cup of coffee, and does it hit the spot? Reminds us of the good old New Year's "We'll take a cup of kindness yet, for auld lang syne" — and there 's a little tug at the heart-strings when you must leave a familiar place which has been filled with many friends and happy hours. But we look forward to having those friends and many more with us at our new home, with real satisfaction and happy hours for all!

Leaves For Air Force

Gary G. Jordan, son of Mr. and Mrs. Jimmy R. Jordan, 2 Marginal Street, Coolee, left on Thursday January 19th, for Lackland Military Training Center, San Antonio, Texas, to begin his training as a volunteer airman.

Sheriff George Smith

Sheriff Files For Re-election

George Smith has filed for re-election as sheriff of Davie County.

Sheriff Smith, who is completing his first four years term in this office, filed Monday with Dr. R. F. Kemp, chairman of the Davie County Board of Elections.

Sheriff Smith is a member of the Mocksville Masonic Lodge and a member of World War II.

He is the first to file notice of candidacy in Davie County.

Airport Is Approved For Mount Airy

WASHINGTON, D.C. — The Appalachian Regional Commission last Friday approved a grant of \$54,722 in Federal funds toward the construction of an airport at Mount Airy, North Carolina.

The Commission action now goes to the Secretary of Commerce for final approval and implementation under the Appalachian Regional Development Act of 1965.

The airport will be built at a total cost of \$249,992. In addition to the \$54,722 provided by Appalachian funds, \$125,000 will come directly from FAA funds and \$70,270 from local sources.

Mount Airy Airport is included in the National Airport Plan. Located in Surry County, it will also serve several surrounding counties in North Carolina and Virginia.

The \$54,722 approved for this project under the Appalachian Act which may supplement the Federal share of grant-in-aid programs up to 50 per cent of total cost. Such funds may be used to increase the Federal share of airports, vocational education schools, higher education facilities, sewage treatment plants and other Federally aided projects in the 12-state Appalachian Region.

Need Nursing Assistants

The Board of U. S. Civil Service Examiners, Veterans Administration Hospital, Fayetteville, N. C., announced today that applications are being accepted for the position of Nursing Assistant, GS-2, \$3,814 per annum, and GS-3, \$4149 per annum.

The examination is being conducted to fill positions at the VA Hospital in Fayetteville. Persons interested in applying should forward their applications to the Executive Secretary, Board of U. S. Civil Service Examiners, Veterans Administration Hospital, Fayetteville, N. C. The examination will remain open until the needs of the service are met. Complete information and application blanks may be obtained at the Civil Service Office, Veterans Administration Hospital, Fayetteville, N. C. or at the local Post Office.

The Coolee Jaycees are planning a night of fun and entertainment for the whole family, including grandpa and grandpa, mother and daddy, the teenagers and even the very small members of the family are included also. On Saturday, February 12th, at 7:30 P. M. at the Coolee school gym, the Jaycees are sponsoring an Old Timers Basketball Game and following this, there will be a dance with "Miss Davie Hi Valentine Sweetheart" being crowned.

The "Old Timers" will be playing members of the Jaycees and this promises to be quite an event. The "Old Timers" team will be made up of various members of the Senior Citizens Club with many famous and outstanding players on the team. Such famous stars as Walt (The Dribbler) Shoaf, J. G. (Flash) Crawford, Grady (Speedy) Spry, Sr., Heathum (Suss Shot) Byerly, and Sam (Rebound) Myers along with Ray Nesbit, Jesse Boyce, and Dewey (Fuzz) Foster. Of course, the ladies of the Senior Citizens Club will be right there to cheer up the men on to victory.

They have their own cheerleaders under the very capable leadership of their Chief cheerleader, Mrs. Betty Dennis (Foghorn) Murphy. Assisting her will be Mrs. Cosby Sales, Mrs. Jettie Jordan, Mrs. Ella Foster and Mrs. Mary Mitchell. With these "Girls" leading the cheering section, the "Old Timers" are a sure bet to put up a fight.

Opposing this awesome line of opponents is the Jaycee team made up of Hayden Simpson, Ken Sales, Mooky Simpson, Coy Robbins, Fluke Blanton, George Allen, Jack Abbey and other members of the Jaycees.

One of the highlights of this ball game will be the crowning at half-time of "Miss Senior Valentine", who will be our own Miss "Vic" Byerly. Miss "Vic" was a beloved member of our community for many years and even though she is living at the old Beryly homeplace in Davidson County, she is a very active member of the Coolee Senior Citizens Club and rarely misses a meeting. So come on out and help the Jaycees pay tribute to a much loved and honored Senior Citizen.

There will be nice door prizes for several lucky ticket holders and plenty of hot dogs, peanuts, popcorn and cold drinks for refreshments. Tickets are 50c for adults and 25c for all students.

Tickets may be purchased from any member of the Jaycees or at the door. All Senior Citizen Club members are admitted free. Tickets may be picked up at regular club meetings.

Please watch this paper for complete plans.

Bahnsen Is Named Officer Cattle Asso.

Charles Bahnsen of Coolee was named as a vice-president of the North Carolina Cattlemen's Association during the annual Cattlemen's Conference at North Carolina State University last week. Sherrill Williams of Newton Grove was named to head the group. He succeeds Gen. R. Pate of Rowland and will serve as top executive officer for the association through 1966.

The cattlemen meet annually on the North Carolina State campus for a two-day educational program conducted by the Department of Animal Science and the Division of Continuing Education.

More than 300 cattlemen attended this year's meeting. Mr. and Mrs. L. C. Dodson and granddaughter, Jo Dodson, spent last week visiting various places in Fayetteville, including St. Augustine Springs, James B. Dodson, Lakeland, Ray Dodson, Columbia, S. C. and at the local Post Office.
