

## Recreational Site Is Selected For County

West Arden Farms located 5 miles east of Mocksville on US 64, has been selected as the site for the 18-hole golf course and recreational area. An agreement between the steering committee of the Davie County Recreational As-

sociation and T. Holt Haywood, Jr., will enable the group to choose the best possible land from some 1100 acres for the golf course and recreational facilities.

Ray Nesbit, chairman of the steering committee, said that the entire area has been surveyed and aerial photos made. The architects for this project, John E. Ramsey Associates of Salisbury, are now in the process of making a preliminary study and drawings of the facilities in relationship to the land.

Davie County has received preliminary approval from both the state and federal governments on this project. Being sought is a federal loan from the Farmers Home Administration. This money is available to convert farm land into outdoor recreational areas.

William E. Hall of Mocksville serves with Mr. Nesbit as co-chairman of the steering committee. Other members of this include Mrs. Jack Page of Mocksville, R. 3; Mrs. Victor Andrews of Mocksville; Garland Still and Dr. James Andrews of Mocksville; William Brock of Farmington; Bill Bowen of Cooleemee, and Bill Merrell of Clarksville Township.

## P. O. Rates On Five Services Will Be Increased March 26

Increases in money orders, insurance, registry, certified mail and C.O.D. rates will become effective March 26, 1966, Postmaster William C. White said today.

The cost of operating these five special services now exceeds revenues by \$60 million annually. The fee increases will narrow the cost-revenue gap by \$36 million, based on business handled in Fiscal Year 1965.

Fees for money orders, registry and C.O.D. were last changed in 1961; insurance and certified mail in 1957.

The fee changes, announced in the January 11th Federal Register and confirmed in the register on February 25th, are put into effect under the existing administrative authority of the Postmaster General.

The increases include: **Money Order Fees:** Domestic and international money order fees will be increased by 5 cents.

**Insurance Fees:** The minimum fee bracket will be increased from \$10 to \$15 and the minimum fee will be 20c instead of 10c. The revised insurance fees will be as follows:

\$ 0.01 to \$15 ..... 20c  
\$ 15.01 to \$50 ..... 30c  
\$ 50.01 to \$100 ..... 40c

\$100.01 to \$150 ..... 50c  
\$150.01 to \$200 ..... 60c

**Registry Fees:** The present 60 cents and 75 cents fees will be combined into a single fee at 75 cents for values up to \$100. Registry fees for articles valued in excess of \$100 will remain unchanged.

**C.O.D. Fees:** The present 40 cents and 50 cents brackets will be combined into one fee bracket at 60 cents for amounts up to \$10. There will be no charge in the fees covering items valued above \$10.

**Certified Mail:** The fee will be increased 10 cents from the present 20 cents per item to 30 cents.

Losses incurred in the operation of special services are paid from funds drawn from the Federal Treasury. The fee increases will shift a substantial portion of the special service cost borne by the public to the users of these services.

A dealer having difficulty collecting payment on a card finally wrote: "Dear Mr. Jones: What would your neighbor think if I repossessed your car?"

A week later he received this answer, "Sir: I took the matter up with my neighbors and they think it would be a lousy trick."
