THIRD ANNUAL HOMECOMING AT CHURCH OF GOOD SHEPHERD—Pictured above is a portion of those who attended the Homecoming at Good Shepherd Episcopal Church on Sunday, May 22. The Holy Communion was celebrated by the Rev. Peter Chase Robinson, who also delivered the sermon. Homecoming, 1966, was a time for renewing old friendships, and for forming new ones, as young and old alike enjoyed a return to the place that they appreciate the most in this community. In its solid, quiet, dignified way Good Shepherd Church has made its witness to the Gospel since its founding in 1901, on its present site. Some of the things about the church which are new since the last Homecoming are: The Flags were dedicated this past year; the Cross over the Baptismal Font is the original Processional Cross at Good Shepherd, the Chimes have been repaired and are in working order; the Brick on the Church has been waterproofed and the woodwork painted, the Equipment in the Parish House is from the Cooleemee Kindergarten and is used for our Church School; and the Churchwomen have set up a building fund. ENGLISH LADY MANAGES 770 ACRE POINT FARM IN DAVIE COUNTY—Mrs. David Springer from Ifield England and her husband David Springer originally from Los Angeles, Calif., are now living in their new location on what is known throughout this section as the Point Farm. The reason for this name is because this land lies between the big Yadkin and the South Yadkin River. Mrs. Springer is the manager of the farm and its operations. They have 45 head of pure bred short horn cattle and 40 head of commercial type cows. She plans to have 130 acres of corn on the farm. Mr. Springer says he loves the place but has to leave the farm operations up to his wife because he is connected with the Regional Office of the Veterans Administration in Winston-Salem, N. C. However these people have been living in The Farmington section and just moved to the Point Farm 5 weeks ago. Some prize cattle are on the farm. Napoleon's Prince, a bull, was purchased from Arcadia farm in Northfield, Ohio, is proving himself very valuable. These people also have another very interesting project which is developing on top of a hill on the farm overlooking what seems to be the biggest part of Davie County, and part of Davidson County, a very beautiful section and it is an Animal Cemetery. This is to be used by anyone who wants their animal buried in this particular section. A granite stone is placed on the animal's grave and a large monument has been erected to designate what these grounds are used for. Mr. and Mrs. Springer welcomes anyone to come and look at the Animal Cemetery and if you want to bury your animal, they will work out the necessary details for you. Mrs. David Springer and Napoleon's Prince, 1965 Junior Champion of the Dixie Classics Fair, are shown in the picture.
