CELEBRATED FIFTIETH WEDDING ANNIVERSARY

The Cooleeeme Recreation Center was the setting for the reception honoring Mr. and Mrs. M. H. Hoyle, Sr., on their Golden Wedding Anniversary Sunday, June 12, 1966.

Lavish arrangements of yellow and white carnations, Chrysanthemums, gladioli, pompons, gypsophelia, majestic daisies, pompons and gypsophelia, flanked by gold tapers in brass candlesticks enhanced the fireplace before which Mr. and Mrs. Hoyle received the 250 friends and relatives who called during the afternoon.

Mrs. Hoyle wore a pale blue silk dress with lace overblouse, to which she added a georgianne orchid corsage.

A unique focal point displayed a large reproduction of the actual newspaper write-up of the Efrid-Hoyle Rites as they occurred on June 15, 1916. Along with the wedding writeup was a facsimile newspaper account of top news events of that year.

Lighted gold candles in silver candelabra graced the refreshment table which was covered with a handmade linen cloth of cutwork design with lace trim, and centered with an arrangement of yellow majestic daisies, carnations and gypsophelia. Refreshments consisted of cake squares adorned with a delicate gold rose on white icing, mints and nuts. Mrs. Robert Hoyle poured lime punch with frozen fruit ring from a cutglass punch bowl.

Greeting the guests were the honored couple's three sons, Robert, Edgar, and Hudson, and Mrs. Hudson Hoyle, Jr. Assisting with the serving were Mrs. Edgar Hoyle, Miss Addie Hoyle, Misses Janet, Tina, Ruth, Margaret, and Beth Hoyle. Miss Martha Hoyle and David Hoyle were at the guest register.

Senior Citizens

by Reporter

It was Baptist Day for the Senior Citizens when they met on Monday, Baptist Chaplain Jarvis presented the Reverend Bobby Russell of the North Cooleeeme Baptist Church who brought the devotionals. His topic was "Blessed Assurance, Jesus is Mine," and his scripture reading from 2nd Timothy 1:1-12 verses. The program which followed was given by the Primary Choir of twenty children from the First Baptist Church. Mrs. Frank Seders had been their director and they gave a delightful program of motion, fun, and sacred song. Mr. Jarvis gave Mrs. Seders a much deserved tribute when he told of her devotion to the young people of her church and her faithfulness in always being depended upon giving us interesting programs, so it is her love for the young and old that causes her to be our best unpaid worker.

Business consisted of completing plans for a trip to the mountains, carrying our paper sack lunches and a decision not to invite the Spencer Club this year. We felt that so long as our club was so large, it was an imposition on them to return our invitations.

Regrets were expressed over the loss of one of our faithful members in the death of "Doc" Ridenhour.

Mrs. Granville Spry was welcomed back after a long absence due to sickness. She expressed her thanks for the cards, letters, and prayers in her behalf. Mrs. Lola Spry also expressed thanks for remembrances during her recent illness.

President Ridenhour thanked the club, for Mr. M. H. Hoyle in his absence, for the many courtesies extended him while being hospitalized.

There were seventy members and one visitor, Mrs. Howard Swaim, also the guest speaker.

Pat Hood of Salisbury has been spending a few days here visiting her grandmother, Mrs. Mabel Head.

The Cooleeeme Jaycees are now planning a July 4th Cooleeeme Field Day. This event will take place at the Cooleeeme Ball Park, starting at 9:00 A. M. Monday, July 18, and lasting all day.

There are numerous events planned for that day, such as softball Games, Sack Races, Three - Legged Races, Ugly Man Contest, Horseshoe Tournament, Greasy Pole, Greasy Pig and many others. It certainly will be a day of complete enjoyment for the entire family.

The Senior Citizens Club of Cooleeeme will assist the Jaycees with duties such as serving ice cold watermelon, homemade cakes and pies, and also help the Jaycees wives at the concession stands.

Davie Farm Bureau News

The Davie County Farm Bureau Board of Directors and their wives will have a KICK-OFF DINNER MEETING launching the new membership drive. The meeting will be at C. Ward's Restaurant on Monday evening, June 20th at 7:30 P. M. Other guests will include Farm Bureau insurance agents and the County Agent.

The President of the Davie County Farm Bureau said today that most of the calls for unity among tobacco marketing interests "have a mighty hollow sound, as far as the farmer is concerned."

In clarifying Farm Bureau's position on the leaf marketing matter, President Roger W. Gabbert said, "The kind of unity called for by warehouse leaders, and even some farm groups, is a unity at the farmer's expense. It's unity that will again deny farmers an active voice in drafting tobacco marketing regulations."

The local farm leader said that Farm Bureau "is the only general farm organization that has continued to stand up for the farmer's rights in this issue."

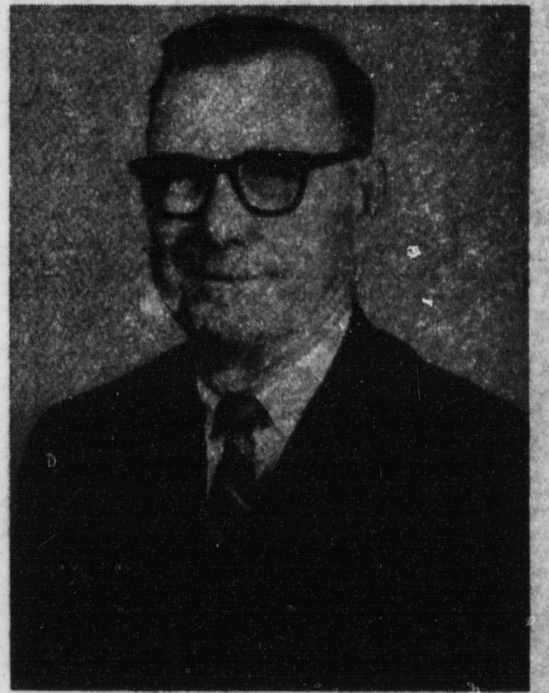

The North Carolina Farm Bureau, he noted, is on policy record due to "a unanimous vote" at the organization's 1965 annual meeting, in favor of active participation by farmers and others in making marketing decisions.

"This is the way farmers feel about this, and we do not intend to sell ourselves down the river by accepting less," said Gabbert. "We intend to stand by the policies that grassroot farmers themselves have put into the book," the Farm Bureau leader said.

He noted that Farm Bureau "has always been willing to cooperate with other groups in resolving this marketing crisis, but not if it means forcing the farmer to live with second-rate status."

Edward Mays accepted employment on Monday with W. A. Brown and Son in Salisbury.

After a long career, of nearly a half century of paint work, W. Bert Vick has retired from Erwin Mills Division of Burlington Industries. In 1918 he went to work for Hogan Paint Co., where he was soon promoted as foreman of a large paint crew who went from town to town painting the Erwin Mill property.

Whole villages were painted and then the crew moved on to another town. In 1944 Bert was kept in Cooleeeme by the Company to do all the paint work, both inside and outside the plant. With a crew of about twelve men he did this work here until April 30th of this year when he retired.

If any man ever knew about different kinds of paint, it was certainly Bert because, machinery wood finishes and every type paint that was made for various jobs, were used by him and his crew.

Everybody called on him when there was a paint job to be done. He was always willing to help them with suggestions that you could count on. His many years of experience and knowledge made him a valuable man in his profession.

Bert was born and reared in Moore County. He and his wife, the former Allie Nell of this County, reside at 1101 Spring Street, Mocksville, N. C. They have two daughters and one son. Bert plans to do a little part time work and he also wants to see a few baseball games.
