AUCTION SALE AT MOCKSVILLE - The late Dr. and Mrs. R. P. Anderson's household items were so numerous that the Wachovia Bank & Trust Company of Winston-Salem, N. C. (selling agents) for this vast estate, had to have several extra days to dispose of the fine antique merchandise. The estate included 14 rooms of furnishings, glassware, silver, jewelry and the property which included the homeplace and nearly five acres of land located on Main Street in Mocksville.

The crowds attending this sale were very congenial and the bidding kept moving right along, but the fact was that the quantity of these items took a long time to bring out of the house and then after they were sold, most of the things were put back into the house until the buyers could arrange for them to be

picked up.

The Wachovia Bank Trust Office, Mr. Miller A. Nifong, and his associates, are experts in their profession of handling a sale of this sort in every respect. Everyone seemed to enjoy the sale, in spite of the hot weather. C. H. Fishel and Neil Bolton were the auctioneers.

Mr. and Mrs. Bryan Sell of Mocksville purchased the homeplace and five acres of land.
