"Even though a hospital in your community may not be participating in Medicare, there are still certain services which it provides that may be covered," Robert C. Thomas, district manager of the Salis-bury social security office sta-

ted today.

These services are outpatient or clinical and are covered under the Medical Insurance part of Medicare. "A 65 year-old person who signed up for the \$3 part," Mr. Thomas continued, "in addition to getting help on his doctor bills, would also get help on hospital provided diagnostic tests and certain therapy. This might include such services as might include such services as blood tets, EKG's and X-ray treatment, provided to outpa-tients by a hospital."

Bills would be paid by the Medical Insurance at the rate of 80 per cent after the patient paid the first \$50 each calendar year.

RYE-LEVEL OVENS

NEW YORK (UPI) -- Purchases of the new eye-level oven ranges last year were
45.5 per cent over the num-ber sold during '64, the Gas
Appliance Manufacturers As-sociation reports.

It is estimated that sales of

this equipment, which some manufacturers call high-oven ranges, will reach 269,000 units this year -- an additional gain of 24,6 per cent.
