A THANKSGIVING PRAYER

God-when I have food. Help me to remember the hungry; When I have work, Help me to remember the jobless; When I have a Warm home, Help me to remember those who have no home at all; When I am without pain, Help me to remember those who suffer-and remembering. Help me to destroy my complacency, and bestir my compassion - and be concerned enough to help, By word and deed, Those who cry out For what we take for granted. Amen.
