

BREWER-DEADMON VOWS ARE HEARD AT MOCKSVILLE

Miss Patricia Ellen Deadmon and Freddie Arnold Brewer were married on Saturday at the Mocksville First Methodist Church. The Reverend Gilbert Miller officiated at the 3:30 P. M. ceremony. Mr. and Mrs. Gene Smith, soloist and organist, presented the music.

The bride is the daughter of Mr. and Mrs. M. C. Deadmon of 621 Wilkesboro Street, Mocksville. She is a graduate of Davie County High School and attends Winston-Salem Business College.

The bridegroom is the son of Mr. and Mrs. Dewey Samuel Brewer of 315 Caldwell

Street, Statesville. He attended Statesville Schools and is employed at Statesville Glass and Mirror Co.

The bride's father gave her in marriage, and she wore a floor-length gown of white peau de soie which extended into a chapel train and had lace appliques detailing the neckline. A pill box of peau de soie held her floor-length veil and she carried a nosegay of white daisy chrysanthemums and lilies of the valley.

Miss Patricia Lou David of Guilford College, Greensboro, wore a floor-length gown of mint green and carried two

Curtis Turner To Drive Smokey Yunick Chevelle

Daytona Beach, Fla. Curtis Turner, the playboy-pro who has won many, or more, stock car races than any of his rivals, past or present, will drive a Smokey Yunick Chevelle in the ninth running of the Daytona 500 at Daytona International Speedway on Sunday, February 26.

Curtis and Yunick practiced with the Chevelle, which is owned by Ken Rich of Texas, at the Speedway in December.

"We'll run it only if it turns in times that make it highly competitive with the rest of the 500 field," Yunick said in the trials runs.

Its entry in the field proves that Curtis rode the long straights and high-banked turns at speeds which give it a running chance against the Fords, Dodges, Plymouths, Mercurys, and all the rest, in the 500.

During the trial runs of the Chevelle, Turner said he would be in the 500.

"When a race carries close to \$200,000 in prize money," he said, "I'm going to be in it even if I have to race barefoot, or in a wheelbarrow with a windshield. I remember my early days, when I won automobile races on dirt tracks, and got as little as \$13.00 for a feature. And I got that only after passing

the hat among the crowd. Count me in on the 500—I'll be there."

The combination of Turner and Yunick unite one of the game's greatest drivers with one of the game's greatest engineer builders.

The Chevelle combination will have to run for their lives to win the Daytona 500, whose prize money is better than \$195,000. The best stock car drivers, and the fastest cars, will be on the line when the flag drops at 12:30 P.M. on the 26th. Ready to go the 200-lap battle round the 2.5 mile Speedway course will be such men as Richard Petty, A. J. Foyt, David Pearson, Mario Andretti, Dick Hutcherston, Fred Lorenzen, Don White, Lee Roy Yarbrough, Cale Yarborough, Darel Dieringer, Jim Paschal, Jim Hurtubise, and Paul Goldsmith.

Fifty cars will start, and more than half of them will have a solid chance to win.

The 50 will be decided by qualifying trials which begin on February 12. The fastest car that day will gain \$5,000 in bonus money, and the choice of the inside or outside pole for the 500. All the hot cars will go for this, and their drivers have said so. A. J. Foyt — "I'll be after the pole and the money"

Richard Petty—"I'll be trying, all out."

Mario Andretti—"The pole is the place to sit."

Curtis Turner—"It is a very prominent spot, I like the money, too."

David Pearson—"The pole is a challenge to be met."

Don Setliff of Jamestown was honored at the 1966 National Convention in Detroit, Mich. as one of the "Ten Most Outstanding State Vice Presidents" in the United States Jaycees.
