An attempt to photograph two of the objects last week proved to be futile as the negatives were blank.

Library News

You are invited to attend the film showing of HE IS RISEN in the Davie County Public Library on Monday, February 27th, at 7:30 P.M. You probably have friends and church groups whom you would like to remind of this showing. This is especially suitable as we approach the Easter season.

HE IS RISEN
A magnificent color film depicting the life of Christ from the days of His prophecies to His ascension with emphasis on the Easter season. Great religious paintings from distinguished museums throughout the world are used to illustrate this period and a sensitive musical score provides a moving re-creation of the suffering of Christ in His later days on earth.

If you enjoy beautiful homes (and who doesn't?) be sure to listen on February 24th at 10:30 A. M. for Mrs. Knox Johnstone on the library program. Radio Stations WDSL, as she describes Great Houses of America. The Davie County Public Library has the book, and beautiful it is! Ask for it.

Recent North Carolina books are claiming attention in the vestibule case at your public library. There are books by North Carolina authors and some about the Old North State -- everything from poetry to the Old Salem Cookbook to recent novels. These may be circulated from the display, so ask for the one you want.

Heart Sunday, Feb. 26 In The Cooleemee Area

Heart Sunday will be Sunday, February 26. All of North Carolina will participate on this day.

Chapel Hill has set the goal for Cooleemee at \$640.00. Each family in Cooleemee will need to contribute generously in order that we can meet this goal. Diseases of the heart and circulation cause more than 50 percent of all deaths at all ages and approximately half of all deaths between ages 35 - 64, the prime of life.

We hope you will never experience the need for help from the Heart Association, but several people in Cooleemee have already done so. Everyone benefits, if only indirectly, through the research carried on by the Heart Association.

Heart diseases are our No. 1 enemy and your Heart Association is the No. 1 defense.

Let us introduce your volunteer workers so that you may know who will call at your home Sunday:

City Chairman -- Mrs. Janet Davis
Heart Sunday Chairman -- Mrs. Sue Cuthrell
Workers by the Streets are: Marginal and Ruffin -- Mrs. Libby Gales and Mrs. Sue Cuthrell

Bud Broadway Home Destroyed By Fire

Fire completely destroyed the Bud Broadway home on the Junction Road Tuesday afternoon about 3 o'clock.

The Cooleemee Fire Department answered the alarm but no effort was made to fight the blaze as the block house was a blazing inferno when they arrived. A strong wind caused the blaze to spread to a nearby barn and the firemen were able to save it in spite of electrical wires being down in that area.

Mr. Broadway reported the fire began after he started cooking some food and then decided to take a nap. When he awoke the kitchen was ablaze and after making an effort to put it out he called the fire department.

All contents of the home were destroyed.

Mr. and Mrs. Robert Stewart went to Ball Ground, Ga. on Friday due to the death of her mother, Mrs. L. B. Wehnt, age 78, who died after a long illness. The funeral was held on Sunday at 2 p.m.
