Much is being said today about the world situation and if the world will ever see peace again. Just about everything today has a value or someone has placed a value upon everything. There are

people today who are spending six to ten years training for their career or job. But very few people spend as little as an hour a week preparing their soul for eternity. If you should ask a person what the most important thing to him was you would probably get the answer of his family, or his job, or his home. But the most important thing in the world should be our soul. We can rebuild our family, our home, and we can get another job, but when we lose our soul when we die there is no way we can change its destiny. If we have not lived for Jesus, Jesus said, "For what shall it profit a man if he shall gain the whole world and lose his own soul, or what shall a man give in exchange for his soul?" If you are not a Christian by the commandments given in the New Testament don't waste another minute because life is "only a vapor that is here for a while and then vanishes". Your life after death will depend upon what you do with your life before death. Jesus said, "He that believeth and is baptized shall be saved". We read in Romans 6:3-4 "Know ye not that so many of us were baptized into Jesus Christ were baptized into his death? Therefore we are buried with Him by baptism into death; that like as Christ was raised up from the dead by the glory of the Father; even so we also should walk in newness of life." The commandments are simple and plain, all Jesus asks of us is to obey them. Unless we obey them we will lose our soul in hell fire forever and forever and forever. If we can help you in any way write to me in care of Corinth of Church of Christ, Route 1, Needmore Road Woodleaf, N. C. 27054.
