Improper sleeping posture
can cause you pain.
Here's how you can avoid that pain.

This is the vital lumbo-sacral area of the spine. Chiropractors say pain can occur in this section from muscular strain and distentions due to sleeping on soft, saggy bedding. KING-O-PEDIC provides firm, level support.

KING-O-PEDIC

AS ADVERTISED IN
McCall's

Perhaps you—right now—are suffering pain from mattress back-ache. If so, replace your old bedding today with a new King-O-Pedic inner spring mattress! Heavy coils and special insulation provide firm, level support from head to toe. And, as an exclusive feature, King-O-Pedic is medium-firm on one side and super-firm on the other. You select the firmness that suits you best. So, get rid of your soft, saggy bedding—get a King-O-Pedic today and beat mattress back-ache tonight!
