RECEIVES AIR FORCE COMMENDATION MEDAL

GWONN Mich. -- Technical Sergeant Floyd H. Hillard, son of Mr. and Mrs. Roy V. Hillard of 6 Watt, Cooleeemee, N. C., has received the U. S. Air Force Commendation Medal at K. I. Sawyer AFB, Mich.

Sergeant Hillard was decorated for meritorious service as a food service supervisor at Nakhon Phanom Royal Thai AFB, Thailand. He was cited for his outstanding skill, leadership and devotion to duty.

He is now at K. I. Sawyer with the Strategic Air Command, the nation's combat ready intercontinental missile and bomber force.

The sergeant attended Cooleeemee High School and completed requirements for his diploma after entering the Air Force.

His wife is the former Yong Su Yi from Korea.

Ellis Family Reunion Held

There were eighty-five friends and members of the family present at the annual reunion held at Ellises Lakes Sunday. Mrs. H. B. Wagner of Columbia, South Carolina and Mrs. Vertie Orr and daughters of Rock Hill, South Carolina traveled the greatest distance.

Rev. Bobby Russell gave the invocation before the picnic style lunch. Mr. and Mrs. Woodrow Livengood and son provided a very delightful program of music and group singing was enjoyed.

The new officers elected for the following year were: Mr. Billy Smith of High Point, President and Mrs. Lester B. Ellis of Route 4, Mocksville, Secretary and Treasurer. The group voted to hold the reunion at Ellises Lakes again next year.

Mr. and Mrs. Ward L. Setzer and family have moved from Watt Street into their new home on Ruffin Street.

Homecoming At Jerusalem Baptist Church To Be Held Sunday

The annual Homecoming of Jerusalem Baptist Church will be held on Sunday, August 20th at the church. The 11:00 A. M. message will be brought by the Rev. B. R. Whisnant, a former member of the church. A picnic lunch will follow the morning worship services and there will be singing in the afternoon.

Mrs. Mary Alice Wilson

COOLEEMEE — Mrs. Mary Alice Wilson, 34, of North Cooleeemee, died unexpectedly Saturday morning.

She is survived by one son, James Nelson Neely; her mother, Mrs. Betty Neely of Cooleeemee, three sisters, Mrs. Eleanor Faulkner of Advance, and Addie Mae and Jane Neely of the home; three brothers, William Paul, Carl Lee and Thomas Neely, all of Cooleeemee.

Funeral services were Thursday at 2:30 in the chapel of Morrison-Sturdevant Funeral Home in Mocksville.

John Harden, author of North Carolina Ghosts and Devil's Tramping Ground, provides some interesting and amusing statistics on ghosts in this film, and relates many of his experiences in collecting material for his stories, and in gathering folklore of North Carolina. He makes a plea that a great deal of story material be recorded and more cultural artifacts be collected.

"Ghost books" are ever-popular with all ages and Davie County has its fair share of readers who enjoy the mystifying and the supernatural. We expect a goodly audience on August 28, so come early and bring your friends!

In addition, a travel film will show the beauty of our own America. This is a safe and wonderful trip we can enjoy via film in a comfortable chair at the library. Departure time: 7:30 P. M., on August 28.

The Davie County Public Library in Mocksville will be closed on September 4th, Labor Day.

Mrs. Mamie Leach returned to her home on Route 4, Mocksville on Friday from Baptist Hospital and is improving.

Landscaping Near Plant

The Erwin Mills Co., a division of Burlington Industries is doing a lot of landscaping, bulldozing, and sewing grass in front of the mill and around the recreation center. This will be a wonderful improvement to this property and will help the looks of the town as a whole. A lot of fill-dirt has been hauled in this area near the mill which has always been a hard situation to work with due to water problems, when the river rises and hard rains, plus a small stream that flows through the area that they are working on. All the undergrowth has been cleaned up and the grounds seeded.

Merchandise Taken In Robbery

Monday night someone broke into the Howard Glass shop and the Glenn R. Reavis Chain Saw Co. on Highway 601, near Mocksville taking approximately 14 chain saws and other merchandise valued at several thousand dollars.

Entry was made in the rear of the glass shop and on through another inside metal window into the Reavis service department. Mr. Howard, owner of the glass shop, had nothing missing that he could determine, except damages to two windows.

Library News

All you readers of GHOST STORIES rally 'round on August 28th at 7:30 P. M. for that is when the library is showing a film you want to see!

John Harden, author of North Carolina Ghosts and Devil's Tramping Ground, provides some interesting and amusing statistics on ghosts in this film, and relates many of his experiences in collecting material for his stories, and in gathering folklore of North Carolina. Kindergarten Registration

Applications are being taken now for the Cooleeemee Kindergarten which will begin on September 5th. To register a child, he must be five years old before December 31, 1967. If you wish to register your child, please call Mrs. Sue Cuthrell, at 284-4627, Cooleeemee.

Senior Citizens

The Senior citizens met Monday, August 14th at the Cooleeemee Recreation Center. Mrs. C. W. Shepherd gave the devotional. Mr. Frank Miller led the prayer.

In the absence of the president, Mr. G. N. Spry, who was ill, Mr. Shepherd presided over the business meeting.

Mr. Noah Grimes was reported in the hospital. Mr. Will Westmore had returned home from the hospital. There were 57 present and one visitor, Mrs. Willie Mae Clark. She is interested in forming a club for North Cooleeemee and wanted to get some ideas.

For the program, the members helped write a story by filling in the blanks. The outcome of the story was hilarious.

Following is the story:

An Exciting Trip

Last week Mrs. Annie Miller decided to take a trip to Greasy Corner. She decided to invite Mr. McMahan to go along. It was such a long way they decided to pack a picnic lunch, which consisted of dog sandwiches, man salad, and iced alcohol.

They left home at 13 o'clock. They traveled 21 miles an hour in their pig. They stopped at the horse to eat their lunch. It was beside a beautiful stream of water surrounded by a lovely baby.

After lunch they hiked through the pony and up a beautiful sheep. They looked down and saw a very strange woman. It was such a rare specimen they decided to send it to the museum at Faith so that all the world could view this beautiful woman.

They rushed back to their ugly airplane, got in, stepped on the Pepsi, and made it back to Cooleeemee in 44 minutes.

They wrapped the woman in man, tied it with a goat and hurried to the post office. The postmaster said "You can not Mail a package wrapped that way. All packages must be wrapped in a rabbit and tied with a cat."

So they sent it to Kennedy and this was news. Reporters from all the newspapers in Woodleaf came to roll pictures. McCallis paid 97 thousand dollars for the right to an exclusive story. Mrs. Miller and Mr. McMahan were interviewed by Mrs. Sophie on Tv. They had a lovely time making appearances from Charlotte to Barber Junction.

After all the excitement they were singing to be able to be running down in the quiet town of Cooleeemee.
