Mrs. Hamilton Wins Bicycle

Mrs. John Henry Hamilton of Center Street opened a Cheerwine last week and, out of curiosity, pulled the cork out of the cap and found that she was the winner of a bicycle.

She took the cap to the Cheerwine Bottling Co. in Salisbury, and they presented her with the new bike. Mrs. Hamilton stated that she did not attempt to ride the bicycle back to Cooleemee, but was proud to be a winner.

Tonie Brogdon Still in Hospital but She's OK

Edna Tonie Brogdon, who was hit by a car here last week, is still a patient at Davie County Hospital but she is in good condition.

Tonie, eight, is the daughter of Foyell Brogdon, a teacher at Davie County High School. She was seriously injured Thursday about 7:45 a.m.

Ptl. R. L. Beane said the accident happened on Highway NC 801 in the North Cooleemee area.

He said his investigation showed the driver of the 1963 model vehicle was Larry Mitchell Settle, 24, of Cooleemee, who was headed south on the highway.

Ptl. Beane said the child ran from the right side of the highway into the path of the vehicle. No charges have been preferred against Settle pending further investigation.

Loves His Journal

One of the most touching things that's ever happened to me in a life-time in the newspaper business was a story I heard here last week.

Somebody in the drug store said that Johnny Chandler came in with a dime and bought a candy bar. Just as he was about to open it, Marlene walked in with the Journals fresh off the press.

Johnny took a look and said, "You know, I believe I'd rather have a Journal," and turned in his candy bar.

You don't have to believe that if you don't want to, and after all the cussings out I've had over in Salisbury, I'm not sure I believe it either, but it still makes you feel good.

Johnny is the son of Mr. and Mrs. U. M. Chandler of 29 Wait Street.
