Mrs. Lagle's Sister Dies In Accident

Mrs. Ted Lagle's sister was killed Monday when a freight train hit their car at an unprotected crossing in Lexington Monday afternoon.

She was Mrs. Annie Janice Bailey Lanier. Also killed in the accident were Mrs. Lanier's daughter, Kathy, 10, and her daughter-in-law, Mrs. Ada Belle Lanier, 19. All lived in Lexington.

Injured were Mrs. Lanier's son Tony, 7, and her son and daughter-in-law's daughter, Lynn, 3. Tony's condition is critical. Lynn's condition is satisfactory.

Lexington police said the older woman, a widow, was driving a 1955 Cadillac when the long freight train smashed into the side of the vehicle. Police said that the engineer was sitting on the opposite side of the engine from the impact point, and that he did not see the car prior to the impact.

The shattered car was dragged and flung about 200 feet from the point of impact of the Seventh Avenue crossing and the engine stopped about a mile from that point.
