Fire Destroys Trailer

The Cooleemee and Jerusalem Fire Departments really had a workout on Monday as they answered three alarms.

The first call came on Monday morning when a grass fire broke out in North Cooleemee. The second, a woods fire on the Pine Ridge Road, occurred around 2:30 p.m. and had gotten out of control.

Before the firemen had completely extinguished the woods fire, the third alarm sounded around 5 p.m. when the house trailer, belonging to Doug Seamon in North Cooleemee, caught fire.

Otis Canupp, one of the first to notice the fire, had left Creason's Service Station in North Cooleemee, enroute to his home, when he spotted the smoke boiling out of the house trailer. He rushed back to the service station to inform Doug, whom he had seen at the station earlier, about the fire and to call the Fire Department.

When the firemen arrived at the trailer, it was too late to save anything except a couple pieces of furniture that were in a room which had been added to the trailer. The trailer was completely destroyed and all their clothing and remaining furniture was either destroyed by the fire or severely damaged by the smoke and water.

The firemen did an excellent job in keeping the fire under control and putting it out shortly after their arrival.

Serviceman's Bulletin Board

A Serviceman's Bulletinboard, sponsored by the Cooleemee Lion's Club and an American Legion Post No. 54, is being constructed and will be placed in the Cooleemee Shopping Center in the very near future.

The sponsors are asking that all parents or wives in the Jerusalem Township, to please turn in their serviceman's home and military addresses, to any Lion, Legion member or to the Cooleemee Drug Company as soon as possible.

For the men serving in Vietnam, a 2 x 3 photograph would be appreciated along with their address.

Rebel Teams Play Friday In Tourney

Both Davie teams will open their bids for the championship in the North Piedmont Conference tournament at North Rowan Gym in Spencer Friday afternoon, though their opponents had not been determined when The Journal went to press.

The girls will play Friday at 3 p.m. and the boys Friday at 4:30 p.m. Both Davie teams are seeded fourth.

The tournament will continue Saturday, Monday, Tuesday and Wednesday. Rebel supporters may keep up with the day-to-day scheduling and results in the Salisbury Post, which will cover the tournament extensively.

The Indian Cheerleaders

These eight girls led the cheers for the Cooleemee Indians basketball teams this winter.

They are, left to right: Sherry Glass, mascot.

First Row: Sheila Kiblinger, Dawna Snider and Theresa Frost.

Second Row: Bonnie Padgett, Martha Hoover, Cindy Jordan and Margaret Webb.

Absent when the picture was taken were Denise Ridenhour and Robin White.

Photo by Harold Foster; developed (finally) by Hayden Beck.

Which is better, the sucker or the thump? David Rudy couldn't care less --- just as long as the Rebels come home the victors.
