

Servicemen's Board Installed At Shop Center

The Servicemen's Bulletin Board, sponsored by the Cooleemee Lions Club and the American Legion Post No. 54, has been installed in the Cooleemee Shopping Center. All families of local servicemen who have not yet turned in the addresses and pictures, please do so as soon as possible.

Wetting A Line

You can't beat spring, as far as Sherry and Ray Cheek are concerned. And that goes for Ray's dog Penny, too. They're living the life of Riley as they wet a line in Grandfather Bob Cheek's fishing pond. Sherry is the daughter of Mr. and Mrs. Talmadge Cheek, and Ray is the son of Mr. and Mrs. Bobby Cheek of Pine Ridge. (Photo by Barringer)

Foster's Death Ruled Accidental

The death of a 34-year-old Davie County man Sunday night has been ruled an "accidental shooting."

Johnny Foster

Dr. B. L. Richards, acting coroner, made the official ruling in the death of Johnny Franklin Foster of Rt. 3, Mocksville, who died about 11:45 p.m. Sunday, some five hours after he was shot one time in the head.

Foster had driven to his sister's home to pick up his daughter, about three years old. Foster and the child just left in the car when the vehicle suddenly veered off the road, through a fence and into a pasture.

The child got out of the car and walked back to her aunt's house.

Foster was found slumped over the steering wheel, a single .32-caliber bullet wound in the head. A .32-caliber automatic was found on the floorboard.

Officers theorized the child found the weapon, picked it up and the weapon discharged, hitting her father.

Lomas Carter

Carter Retires After 54 Years

Lomas Carter retired from Erwin Mills, a division of Burlington Industries, on Friday, March 22, after 54 years service with the company.

Mr. Carter was just a boy when he acquired his first job as a doffer in the spinning department in 1914. In 1929 he transferred to the machine shop, where he has been covering rollers throughout the mill for past 38 years.

Lomas, his wife, Elsie, and son, Sam, live on Center Street in Colliemee.

Precinct Meeting

There will be a Republican Precinct meeting at the Jerusalem Fire Department on Thursday night, March 28, at 7:30 p.m.

Cooley, Stewart Promoted; Rabold, Wilson To Retire

Pictures on page 2.

Two new appointments and two retirements in the Erwin Mills division of Burlington Industries were announced at Cooleemee today by Plant Manager O'Neal Walker.

Cyrus E. Cooley has been named director of research and development of the Erwin division.

Robert R. Stewart has been promoted to manager of finishing at Cooleemee, succeeding W.R. Wands who retired March 1.

Norris Rabold, division director of research and development, and John W. Wilson, assistant manager of the Cooleemee Plant, are to retire March 31.

CYRUS COOLEY

Mr. Cooley recently rejoined Burlington at the Cooleemee plant after a year of employment with Georgia Dye Corporation. He formerly was employed with Burlington at Glasgow, Va.

A native of Chicago, Mr. Cooley received his degree in chemistry in 1942 from Memphis State University. He served five years with the U.S. Navy before he first joined Burlington in 1961.

He is a member of the Methodist Church, a lay speaker and is an active Rotarian.

He and his wife, the former Carolyn Jones, have three children.

ROBERT R. STEWART

Mr. Stewart formerly was superintendent of the Burlington facility, a position he had held since November 1, 1962.

He received his degree in textiles in 1950 from Georgia Tech. He joined Burlington following employment with Reigel Textiles at Trion, Georgia.

A native of West Point, Georgia, Mr. Stewart, his wife and their three children reside in Cooleemee where he is active in the Lions Club and Methodist Church.

JOHN W. WILSON

Mr. Wilson is a 1925 graduate of Philadelphia College of Textiles and Science where he majored in chemistry and dyeing.

He joined Burlington at Cooleemee in 1956 and was named to his present position in 1964.

A native of Brooklyn, New York, Mr. Wilson is married to the former Margaret Carlson. They have two children. He is an elder in the First Presbyterian Church of Salisbury.

NORRIS RABOLD

Mr. Rabold first joined Erwin in 1948 as director of chemical control and research and has held his present post since 1962.

He is a graduate of Dickinson College and received a degree in chemistry in 1925 from Pennsylvania State. He is a member of the Cooleemee Methodist Church and is married to the former Ferne Weic. They reside in Salisbury.

Both Mr. Cooley and Mr. Rabold hold memberships in the American Association of textile Chemists and Colorists and in the American Chemical Society.

Jerusalem Planning 100th Anniversary

The Jerusalem Baptist Church on Route 4, Mocksville, will celebrate their 100th year as an organized church on Sunday, March 31.

There will be regular Sunday School and worship service, followed by a picnic lunch on the grounds. Immediately after lunch, there will be a special

ground breaking service to break ground for the new sanctuary that will be built in the near future.

Members, former members, friends and all interested persons are invited to come to this very special and important service next Sunday, Rev. James O. Mull, pastor.
