WELCOME VISITOR — Stephanie Setzer, 10-year-old daughter of Mr. and Mrs. Ward Setzer of Ruffin Street, is very pleased that a mother chickadee has chosen to build her nest in the flower basket on the front door of their home. Mrs. Setzer, who made the flower baskets for door decorations, noticed the nest several days ago with only one little egg in it. Now there are five eggs and the brave little mama bird spends a great deal of time on the nest.
