

Kindergarten Applications Being Taken

Applications for next year's kindergarten program at the Davie County Education Center are now being accepted. Children should be five (5) years of age by October 15 of this year in order to be eligible for the program. Priority will be given to those students who are most economically deprived.

Two sessions lasting 2 1/2 hours each will be held at the Center. Each session will accommodate 20 students. Transportation for this program will be provided by the parents.

Interested parents should stop by the Davie County Education Center and pick up the application forms.
