Halloween Carnival Nets Nearly \$900

The Halloween Carnival, sponsored by the local Jaycees and Jaycettes, was a very successful event here Saturday night.

The total receipts were over \$860. The majority of the proceeds will be used to purchase playground equipment for the Cooleemee Elementary School.

The winner of the 1955 Oldsmobile has not yet been determined. The person holding ticket stub number 006950 may contact one of the local Jaycees to claim your prize.

An estimated crowd of over 600 spent a most entertaining evening participating in the variety of contests and games offered.

This was the Jaycees first opportunity of sponsoring the Halloween Carnival, and they are to be commended for the fine work and the many long hours put into making it possible. The Carnival was previously sponsored by the local P.T.A., but had been eliminated for the past couple of years.

The Jaycees and Jaycettes express their sincere appreciation to the merchants for their donations of prizes and to all the ladies that took the time to bake cakes for the cake walk. They would especially like to thank all the people in the community for their most generous support in making this carnival one of

Cooleemee's more successful events.

Youngsters enjoy the Halloween Carnival.
