Again this Christmas season, The Journal will publish the names of area boys who are overseas and won't be able to be home for the holidays.

We hope that our readers will remember them with cards and letters.

Following are the names of some of the boys who subscribe to The Journal. Please send us the full names of others also overseas for publication next week.

Thanksgiving Issue

Because of Thanksgiving, The Journal will publish on Tuesday instead of Wednesday next week. This will enable the papers to be distributed on the rural routes prior to the Post Office's Thanksgiving holiday.

Because of the early publication, please get your news to Marlene by noon Monday.
