Versie Carter's Roses Are For Neighborhood Enjoyment

Mrs. Versie Carter raises roses as a hobby for everybody to enjoy. She sends them to the sick, to the hospitals, banquets, churches or any occasion that calls for flowers. And many times just a bouquet for the house.

Mrs. Carter planted the roses from little cuttings. Although they only bloom once a year, at Mother's Day, the beauty is enjoyed for weeks.

Some of the neighbors have gotten their Mother's Day roses from this

bush ever since it has been there.

Mr. Carter, who had absolutely nothing to do with growing the roses, says they stick him but he does love to look at them.

"Miss Versie" says red is her favorite and all she has, even the monthly bloomers, are all red. "I have to get a white rose from someone else every year to wear to Church on mothers' Day, she says "but I would much rather grow the red ones."

Smith Named 'Lion Of Year'

Tom Smith was voted the "Lion of the Year" at a recent meeting of the Cooleemee Lions Club.

This honor is awarded yearly to the Lion who has most distinguished himself by service to his club and community.

Lion Smith has held the office of secretary/treasurer for the club for the past two years and has accepted a second term. This is one of the most responsible and demanding offices in the club and he has maintained it effectively and enthusiastically.

The Lions Club agreed to sponsor the Cooleemee Boy Scout Troop 500 in March and Lion Smith is serving as scout committee chairman, in addition to his other Lion duties.

Allen Snipes and Denny Creason were winners of this award in previous years.
