Grant Is Given To Help Send Retarded To Camp

With the help of many concerned people and organizations, the Davie County Association for Retarded Children will be able to make a dream a reality.

For some time the association has been hoping to take the retarded of the county to the mountains for a week and with the grant from the Yadkin Valley Economic Development District, the biggest obstacles have been overcome.

This grant will take care of the amount the association did not anticipate from local contributions. The cost is \$35 per child for five days at Crossnore School. A number of individuals and clubs have already made contributions to the project. With the interest shown from other groups, the association feels there is enough assurance that final plans are being made for the trip.

Anyone interested in helping to send these children to camp, may send your contribution to the Davie County Association for Retarded Children, Mrs. W. M. Long, treasurer, 440 Salisbury Street, Mocksville.

The group will leave Davie County on June 16, for

Crossnore, N. C. where two dormitories will be used as well as the dining hall and all facilities of the school.

The children will participate in hikes through the mountains, nature studying, recreation and handicrafts.

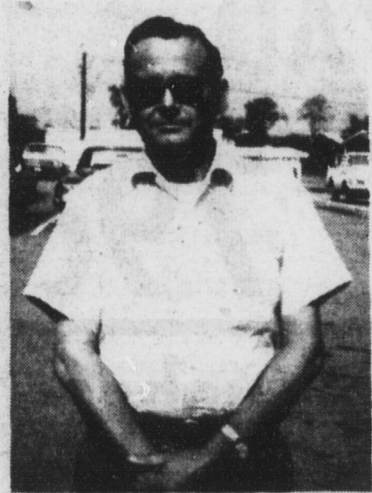

The highlight of the trip will be a day at Tweetsie Railroad. The children will be guests of Fred Kirby and the Tweetsie organization.

The retarded Childrens Association is truly grateful for the concern shown by Mr. Kirby and are sure this will be a memorable experience for the 23 local children that are planning to attend.

Wins Sixth Award

Mrs. Louise W. (Pug) Creason of Main Street, accountant for the City Motor Company in Salisbury, has been awarded the Business Management award for accounting excellence by the Ford Motor Company.

This is the sixth year Mrs. Creason has received this award.

Harold Foster

Harold Foster Wins Trip To Hawaii

Harold Foster is often called the luckiest man in Cooleemee. He is always entering contests, regardless of the prize offered, and usually wins one of the smaller ones.

He really hit the jackpot this week. He has won a seven days, all expenses paid trip to Hawaii for two.

Harold filled out a questionnaire in the T. V. Guide several months ago and had forgotten all about it until a letter arrived Tuesday.

The letter informed him of the trip he had won and a form was enclosed that is to be filled out and returned within 10 days. From this information, T. V. Guide will make all arrangements, including the round-trip flight.

The Fosters may take the trip at any time within the next year. Harold commented that his wife had always talked of going to Hawaii, but he wish he could wait until they built a bridge across. He isn't too crazy about flying.

Hospital Doors Will Be Closed At Night

The Davie County Hospital Board of Trustees has authorized the locking of all public hospital doors each night after the receptionist leaves around 9 p.m.

Only the emergency entrance will remain open.

Hospital Administrator Fred Seaford said that exit can be made from all doors, but no entrance can be made.

On the fire exits, locks with alarms are being used. Whenever these doors are opened, an alarm is sounded.

Mr. Seaford urged the cooperation of the public in this matter.
