Bill McKay Registers At UNC-CH

William R. McKay, son of the Rev. and Mrs. S. L. McKay of 60 Watt Street, has just completed a day-long pre-registration session at the University of North Carolina.

During pre-registration, students take placement tests, prepare their course of study, and familiarize themselves with the campus. It is co-sponsored by the Office of Undergraduate Admissions and the General College.

The University of North Carolina is the nation's first state university, chartered in 1789 and open to students in 1795. The cornerstone of Old East, the University's oldest building and now a national shrine, was laid in 1793.

The University is composed of 14 colleges and schools and more than 70 departments. The student body enrollment is expected to exceed 16,000 in the fall — 2400 of these are freshmen and 900 are transfer students. There are nearly 1500 faculty members.
