Jaycees Host Christmas Party For Davie's Retarded Children

The Cooleemee Jaycees and Jaycettes were host to a Christmas party for the Retarded children of Davie County in the Cooleemee School gymnasium Saturday night.

Working as a husband and wife team, the Jaycees and Jaycettes traveled all over the county to bring these youngsters to the party.

Each child enjoyed refreshments and was presented with a gift. Santa Claus also arrived in time for the party and colored pictures of each child with Sana-ta were made and given to them by the Jaycees.

The local Jaycees and Jaycettes are to be commended for the fine work they have done with this group of children on numerous occasions. Although,

they put a great deal of hard work into making these parties possible, they are richly rewarded by the joy and affection from the children.
