HOLLYWOOD, CALF. (Special) — This is the re-volutionary grapefruit diet that everyone is suddenly talking about. Literally thousands upon thousands of copies have been passed from hand to hand in factories, plants and offices throughout the U.S. and Canada. Word of its success has spread like wildlife. Because this is the diet that really works. We have testimonials in our files reporting on the success of this diet. If you follow it exactly, you should lose 10 pounds in 10 days. There will be no weight loss in the first four days. But you will suddenly drop 5 pounds on the 5th day. Thereafter you will lose one pound a day until the 10th day. Then you will lose 10 pounds every two days until you get down to your proper weight. Best of all there will be no hunger pangs. Now repound a day until the 10th day. Then you will lose 14 pounds every two days until you get down to your proper weight. Best of all there will be no hunger pangs. Now re-vised and enlarged, this new diet plan lets you stuff yourself with foods that were formerly "forbidden", such as big steaks trimmed with fat, roast or fried chicken, rich gravies, mayoanaise, lobster swimming in butter, bacom fats, sausages and scrambled eggs. You can eat until you are full until you cannot possibly eat any more. And still lose 16 pounds in the first ten days plus 14 pounds every two days thereafter until your weight is down to normal. The secret behind this new "quick weight loss" diet is sim-ple. Fat does not form fat. And the grapefruit juice in this new diet acts as a catalyst (the "trigger"), to start the fat burning process. You stuff yourself on the permitted food listed in the diet plan, and still lose unsightly fat and excess body fluids. When the fat and bloat are gone you will cease to lose weight and your weight will remain constant. A copy of this new and startingly successful diet plan can be eb-tained by sending \$2 to GRAPEFRUIT DIET PUBLISHERS, 1213 Premier Way, Calgary 6, Alberta. Money-back guaran-tee. If after trying the diet plan you have not lost 7 pounds in the first seven days, and 14 pounds every two days there-after simply return the diet plan and your \$2 will be refund-ed promptly and without argument. Tear out this message as a reminder. Decide now to regain the trim, attractive figure of your youth, wh i I e enjoying hearty breakfasts, lunches and dinners.
