THE "HOME LIFE".

We desire to call attention to the advertisement of the Home Life Insurance Co., on the last page of this issue, also to the last financial statement of this company on the local page.

It is a pleasure to note the testimonials of some of the leading business men of this community, showing what they think of the "Home Life".

The State agency of this strong company is located in Farmville, of which Mr. H. L. Humphrey is general agent, and we are glad to know that the North Carolina Agency last year under Mr. Humphrey, secured the largest allotment of the agencies in its class, and for such work, the Company presented him a handsome fob, which was the first prize.

Farmville has cause to feel proud of the location of a general agency here and we congratulate Mr. Humphrey upon the success he has attained for his company. The establishing of such an agency here speaks in highest praise for Farmville, which means a step onward in advancement.

A big volume of business has been allotted the North Caro- agency for 1914, and we hope Mr. Humphrey can return from New York next year again the winner of the first prize.

If you desire good, safe life insurance in a company that is absolutely reliable, and in which you can feel safe as to the future welfare of your loved ones, you could not do better than get a "Home Life" policy.
