MEETING OF W. H. M. S.

On Tuesday afternoon the Woman's Home Mission Society held its regular meeting with Mrs. Eli Joyner. After singing that old familiar hymn "Rescue the perishing", the president read the 13th chapter of Cor. and the Society was lead in prayer by Mrs. H. E. Lance.

As Civic work is being very much discussed among the Ladies of the town, and as March 27th has been set apart as "Clean up" day, we took up the subject of Social Service. Mrs. J. M. Christman read a very instructive article entitled, "The Social Service Dept. and what it means, and how it can be applied".

Mrs. H. E. Lance then read a leaflet on Social Service written by our Conference 4th Vice-President showing that spontaneous charity lifts a poor fellow out of a mud puddle, or binds up the wounds of one who has fallen over a precipice, but Social Service does away with the mud puddle, and fences the precipice thus removing the danger. This paper was followed by a discussion of the subject. On motion of Mrs. Lance a Committee was appointed to draw up resolutions endorsing the "Clean up" day, and all Civic work.

The Secretary then called the roll, and read the minutes of the last meeting, which were approved. The Officers and Committees gave their reports, and the Society adjourned to meet next with Mrs. H. E. Lance.

The Ladies Aid Society.

The Ladies Aid Society of the Presbyterian Church met at the home of Mrs. Carl Turnage Wednesday afternoon, officers were elected as follows: Mrs. Myers President; Miss Eleanor Warren, Secretary; Mrs. Turnage Treasurer. Plans were discussed concerning the purpose and work of this organization with the erection of a Presbyterian Church in view as our first time.

After the business was disposed of a discussion of mutual interests over the "Social Teacups" followed.

The next meeting will be with Mrs. Myers Wednesday, March 11th, and we will be glad to welcome any new members.

The outlook for this Society is most encouraging at present, and invoking a blessing from Our Father we can but anticipate success.

When Out of Sorts Start Your Liver working

No Matter What Aids You, Dodson's Liver Tone is Usually a Big Help in Getting Well. Avoid Calomel.

Nine times out of ten, when you are ill or out of sorts, your liver is out of order and getting it in order again will make you feel better. When your liver is sluggish and torpid and you are constipated and bilious it is impossible to feel well.

There was a time when a great number of people took calomel when so troubled. But this is not true today. It has become wide-

ly known that calomel often has bad after-effects and is even dangerous to many. The use of Dodson's Liver Tone instead of calomel has spread wonderfully because it has proved so beneficial in so many households. J. M. Wheeler recommends and guarantees Dodson's Liver Tone instead of calomel and guarantees to refund purchase price (50c.) to you instantly without question if you are not perfectly pleased with the way in which it relieves you from constipation, sick headaches, and biliousness, etc. It "livenes the liver" and is a pleasant-tasting, vegetable liquid easy to take and causes no pain, no gripe, no bad results, no change from your regular duties and habits.

To test Dodson Liver Tone is a sensible matter because you get your money back if you are not satisfied. (Adv.)

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Came to Rescue.

Calron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

NOWHERE is quality so essential as in your "floor coverings"—unless you want to keep yourself poor providing new ones every season.

The right kind of carpets and rugs should last for years and look well to the very end

If colors fade or grow dull, there's something radically wrong in the dye. If the carpet wears shoddy, and rough, the material is bad and the weaving defective.

We have just received a new consignment of carpets and rugs suitable for every room in the house—and offer them to you at prices you'll be glad to pay. Call and investigate.

TERRORS OF ANTICIPATION.

An old German farmer entered the office of a wholesale druggist one morning and addressed the proprietor:

"Mister Becker, I haf der schmall pox."

"Merciful heavens, Mr. Jacobs!" exclaimed Becker, as the office force scrambled over each other in their hurry to get out, "don't come any nearer."

"I say I haf der schmall pox of butter out in mine wagon, vot der Mrs. Becker ordered las' week already."—National Food Magazine.

THOUGHTLESS EXPRESSION.

"You say in this story," commented the copy reader, "that the heroine buried her face in her hands."

"Well," asked the story writer, "isn't that alright?"

"No. You can't have an ideal heroine with such large hands as that."

BUILDING UP A FUTURE.

"When you were campaigning you shook hands with all the people you could reach."

"Yes," replied the energetic statesman. "And it was a good idea. Even if shaking hands doesn't always elect you, it may help to get subscribers for a magazine for which you may be engaged to write later on."
