Meers G. W. Jefferson and Bros. had the misfortune of losing a tenant house by fire Thursday March 4th, situated one-half mile east of here, occupied by Goodman Moore, a negro. The fire started about 2 o'clock and the house was consumed in a very short while. The occupants had left home, leaving three very small children there.

There was some cotton in the house and it was set afire by one of the children. Had it not been for the heroic and daring work of Mr. and Mrs. R. A. Fountain, there is no doubt but that the children and all the household goods would have been burned, but they were returning from Mr. W. S. Mr. and Mrs. Fountain rushed in and rescued the children and then carried out all the furniture possible before the house burned down. The losses were \$250 insurance \$10.

Dr. and Mrs. E. B. Beasley returned home Saturday from Coleraine, where they were unexpectedly called by a telegram to go Wednesday to the bedside of Dr. Beasley's mother, who was seriously ill. We are glad to state that she is very much better at this writing.
