COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Household.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst."

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my household work.

I also had dreadful pains in my back and sides, and when one of these weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's friend.

Beware of Ointments for Catarrh That Contain Mercury as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is too great to be run the risk of possibly deriving therefrom. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. Much to our sorrow Mr. R. A. Fountain, chairman of the board of school committee received Friday April 2nd a statement from county Superintendent Mr. S. B. Underwood, stating that our school funds were exhausted and we would be compelled to close our school. It was quite unexpected to all of us, as we were sure of an 8 month term. The teachers were preparing for a commencement and were also intending to have a picnic at the close. It was thought that enough money could be made up for the school to run for 2 weeks longer in order that we could prepare the commencement, and on Monday all the pupils returned, but Prof. Mattox announced to them that school had closed. It was quite sad to both pupils and teachers. On being told that the school had closed, Mr. J. T. Eason hurried to the school house and served fruits and candy, which was highly enjoyed by all.
