One Dollar the year—In advance.
Entered in the Post Office at Farmville, N. C., as second class mail matter.

FRIDAY, MAY 28, 1915.

In the days of Caesar Augustus a man's wealth was measured by his retinue of servants. Now, the rich young bloods speed over the asphalt in their eighty-horse-power racing cars; while their attendants toil amid the hum of a factory in Michigan or Ohio. The existence of the hidden retinue should not, under any circumstances be overlooked.

If the American Farmer should form a union, declare a strike and consent to arbitrate with the ultimate consumer alone, what chance would there be for the future existence of the speculator and the middleman?

The only difference between a million dollars and a penny is the matter of a decimal point. Although a point is without length, breadth, or thickness, it can, at times, be as immovable as the pyramids.

They say some men are their own worst enemies—in which case they must be worse than the devil.

SUNDAY SCHOOL PICNIC.

On the 21st of May the little children of the Sunday School of the Main street Christian church, of Farmville, and their teachers had a very enjoyable picnic at the country residence, (Fredonia) of Mr. and Mrs. A. J. Moye. It was an ideal day for a picnic, neither too hot or too cool.

The children jumped the rope, swang, ran races, turned somersaults, ate mulberries, drank lemonade and ate a most delicious dinner prepared by the teachers and friends. Mrs. Annie Lang's class of very little tots, had as good a time as you ever saw little ones have. One little boy wanted to know the next morning of his father as soon as he got up, "when are we going to have another picnic."

Mrs. A. J. Flanagan's class were expert rope jumpers and Mrs. Dewit Carraway's class being larger children, ran races and played leap-frog. Mrs. Tom Hinson seemed to enjoy herself more than any of the other grown-ups as she helped the children most in their plays. Mrs. George Shirley brought a full wagon load and she was sure that none got hurt. Grandma, Nan Smith, really wished she was young again so that she could engage in the rope jumping. Mrs. Matt Murphey and Mrs. M. L. Moye never looked more pleasing in their lives. Mrs. A. J. Moye's only regret was that all the young children in Farmville were not present to enjoy themselves.

The children were well behaved. They did not give Mrs. Moye the least bit of trouble. They of their own accord remained out of doors and did not mess up the house the least bit. Misses Nell Moye, Louise Moye and Alice Flynn, helped to entertain the teachers and others. Mrs. Josephine Flynn was also very happy.

If one cannot enjoy himself seeing so many little ones having a good time they must indeed have a bad case of despondency.

Come again little ones, for we surely did enjoy having you.

—Papa.

CALOMEL DYNAMITES YOUR LIVER! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tonic" Starts Your Liver Better Than Calomel and You Don't Lose a Day's Work

Liven up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous calomel because it makes you sick and you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crushes into sour bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping. Listen to me! If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's Liver

Tonic tonight. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tonic under my personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick.

Dodson's Liver Tonic is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular.

Dodson's Liver Tonic is entirely vegetable, therefore harmless and can not salivate. Give it to your children. Millions of people are using Dodson's Liver Tonic instead of dangerous calomel now. Your druggist will tell you that the sale of Calomel is almost stopped entirely here.

No one is more patriotic and declamatory on the eve of war than he who expects to profit by the absence of youth and manhood of a nation. Many an Englishman fears the German bullets less than the non-combatants, whom he leaves behind him, clamoring for war. Conscriptio may not be so bad after all. It is at least impartial.
