Mr. and Mrs. Crittenden at Home.

The following, which is taken from the Wilson Times, will be of interest to their many friends in Farmville, as Mr. and Mrs. Crittenden resided here several months a few years ago:

One of the most original and unique entertainments that has taken place in Wilson lately, occurred Saturday evening, May 29, at the home of Mrs. H. T. Crittenden on Daniel street, when Mr. and Mrs. Crittenden celebrated the anniversary of their Wooden wedding. The invited guests included only relatives.

The guests were met at the front door by Mr. and Mrs. Crittenden, then served delicious punch by Miss Lucy Farmer and Mrs. B. A. Joyner, of Farmville. Everything uniquely carried out the idea of the wooden anniversary. The punch was served from a bucket drawn from a wooden well artistically entwined in crimson rambler, using the old style dipper.

The young people enjoyed some lively games of rook.

The guests were then ushered into the brilliantly lighted dining room where a delicious ice course was served from wooden plates. The dining table for its centerpiece, had an old timey log cabin on which was running a crimson rambler rose. Through the window a tiny lighted lamp disclosed a little pickanniny reclining in the doorway. On the side of the house a small tree full of ripe cherries carried out the color scheme of red and green. The walk was designated by a small stone wall which proved to be block mints. On the lawn mounds of rock, in reality, salted peanuts.

At a late hour the guests departed, declaring they had spent a very pleasant evening.

The presents were numerous and handsome.

THANKS

In behalf of the members of the Dixie Band and the pupils of the Dixie High School of Edgecombe county, and for myself, I desire to thank everyone who so bravely faced the rain and mud, and helped us to make our entertainment of last Friday night a success.

It is sweet indeed for one whose work has called her away from her home town for several years, to return and find that her friends have not forgotten her, but instead, who prove by their actions that they are just as ready to support her in her efforts for good, as in former days.

Thanking each one of you again and trusting that no discomfort has been felt from exposure to bad weather at this time. I am,

Gratefully yours,
Miss Agnes Moore.

His Back Hurt When He Stoopd

"Just the one box of Foley Kidney Pills relieved my backache."—J. W. Ellis, Edinburg, Ga.
"Last year I was suffering with a terrible backache," writes J. W. Ellis of Edinburg, Ga. "Every time I'd lean or stoop over or to one side, I'd have a painful catch in my back just over my kidneys. I tried medicines with no good results. I bought a bottle of Foley Kidney Pills, and just the one box entirely relieved my backache. It has been some time since I took them, so I think I am well."
"Weakened, overworked, stopped-up kidneys cause stiff joints, sore muscles, rheumatism, sleep disturbing bladder ailments, biliousness and various other ills. Foley Kidney Pills are a scientific medicine, compounded to clear the kidneys and restore them to healthy action by dissolving and driving out of the system the waste products and poisons that cause kidney trouble and bladder ailments. You will like their tonic and restorative action, ready effect and quick good results."

**CALOMEL IS MERCURY! IT SICKENS!
ACTS ON LIVER LIKE DYNAMITE**

"Dodson's Liver Tonic" Starts Your Liver Better Than Calomel and Doesn't Salivate or Make You Sick.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tonic on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tonic. Take a spoonful tonight and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tonic is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tonic will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is logging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tonic will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

In Memory of Little Leon Joyner Jr.

The gate of heaven was opened,
His spirit entered in;
Back to the God who gave it,
Away from this world of sin.

His days on earth were fleeting,
Not being quite two years;
For his mission was in heaven,
Not risking a life down here.

Safe in the arms of Jesus,
Away from temptation and sin;
Had he lived on to maturity,
We know not what might have been.

Grieve not for him, fond parents,
Though it seems so hard to bear;
He is now an angel in heaven,
Waiting to welcome you there.

O, what a sacred privilege,
Is accorded to woman and man
To be the parents of angles,
In the great divine plan.

Let this link but bind you closer,
To the Savior every day;
Strengthen and direct your footsteps,
As you journey on your way.

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Carroll, Ky.—In an interesting letter from this place, Mrs. Beulah Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak, I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without stopping, and am doing all my work."

If you are all run-down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 20 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

TAINTED POLITICS

By Peter Radford.

This country is suffering more from tainted politics than from any other malady at the present time. There is scarcely a campaign speech made, a platform demand written or a measure enacted into law that does not carry the taint of personal gain of some politician or political faction thereof.

There is more "blue sky" in campaign promises of many politicians running for office than was ever contained in the prospectuses of the boldest promoters of chimerical business schemes. There are more secret combinations formed by politicians in the name of "My Country" than were ever foisted upon any and all other aliases. There are more political "bates hidden in the phrase "Be it enacted" than were ever concealed under any and all other disguises.

The inordinate thirst for political power and unrestrained passion for mastery has caused more distress in this nation than the greed for gold, and it ought to be regulated by law. No business combination ever pursued their competitors as relentlessly or visited more heartless cruelty upon their customers than a political party that seeks to make junk of an industry, or cripple a business for party success, through tariff measures, political supervision and oftentimes destructive legislation. Many political platforms are an alluring to the voter as the story of the rainbow with its pot of gold and their consummation about as far-fetched. Self gain is the first law in politics. There are many men in office today who, if they could not shake plums off the tree of American liberty or cut a melon taken from Uncle Sam's commissary, would have less desire to serve the public.

The country is sickening with patriots, who will bare their breast to bullets in defense of their country, but there are few men in public life who will bare their breast to voters or run the gauntlet of party disfavor in defense of agriculture or industry. No representative of the people, who will permit personal prejudice to destroy justice, party success to disfranchise a man or the success of a political campaign to influence judgment can render capable service.

The preservation of our prosperity depends upon wisdom, courage and honesty in government, and the American voter should seek these attributes as implicitly as the Wise Men followed the Star of Bethlehem and they will often be found to rest over the stable; the plow or the staff of the shepherd. The surest cure for tainted politics and machine rule is fresh air and sunshine and these important elements are most abundant upon the farm, and when farmers, bankers and merchants are elected to membership in legislative bodies, much of the trouble in government will disappear.
