A new gas lamp just has a clock-work attachment which turns the light on and off at appointed hours.

All mattresses and pillows made hereafter for the United States government will be filled with kapoc, a vegetable fiber having great buoyancy.

The 50,000 waiters and kitchen attendants of the New York hotels and restaurants are being licensed. To do so they must pass a physical examination.

If statistics are to be believed, the birthrate in the United States, in Great Britain and in most other civilized lands is being steadily, though slowly, lowered each year.

The famous T'ah King Cheng porcelain factory, which since the year 2886 made the finest porcelain in China, and which was destroyed in an uprising a few years ago, is to be reopened with government assistance.

From 1799 to 1870 the actual work of gathering census statistics was performed by United States marshals and the enumerators varied in length from 10 to 18 months. In 1880 there was adopted the plan, followed at all subsequent censuses, of having this work done by a large body of enumerators under the direction of supervisors.

The north is said to be hot at the polls—and some candidates are also featured at the polls.

"Live and let live" is a good motto for all men—with the exception of butchers and undertakers.

IT IS PURELY A BUSINESS PROPOSITION TO PAY YOUR ACCOUNTS BY CHECK.

It protects you from claim of non-payment should your receipt be mislaid or lost. Your cancelled check is always unmistakable evidence that the bill has been paid.

Then it gives prestige to your business sagacity and to your financial standing.

Your wife should have a checking account of her own in this bank, so that she too may keep the affairs of the household straight and along business lines.
