FRIDAY, MAY 12, 1916.

Mr. Business Man—Let's get together and plan a programme for a big Fourth of July celebration in Farmville. Other towns have them, and why can't we? It is one of the best advertisements any town can have.

We are glad to note that the recent exchange of notes between the United States and Germany have brought about a more friendly feeling between the two nations. Let us hope that Germany will not again go against her promises made to U. S.

The Workers and Shirkers don't ever give a community very much trouble; the first are too busy, the latter too indifferent—it's the jerkers that cause the trouble, and why? Because of ignorance and personal prejudice. Inform yourself along progressive lines and throw off the personal grudge, then the jerking will stop and you'll go to work for community uplift instead of retarding it. Don't be a "kicker."

The Quinine That Does Not Affect the Head because of its tonic and febrifuge effect. LAKATYNE BRAND QUININE is better than ordinary Quinine and does not cause nervousness nor ringing in the ears. Remember the full name and look for the signature of B. W. CROWE, etc.
