Encouragement for Pitt County Boys' Corn Club

Through the generosity of the Carolina Club, of Greenville, the Chamber of Commerce of Ayden and certain of the business men of Farmville, the Corn Club boys of Pitt County will have an opportunity to compete this year for \$50.00 in cash prizes. The Carolina Club has donated \$25.00 for this purpose, the Chamber of Commerce of Ayden \$12.50, and business men of Farmville \$12.50. The money will be divided into five cash prizes, as follows:

First prize	\$15.00
Second prize	12.50
Third prize	10.00
Fourth prize	7.50
Fifth prize	5.00

These prizes will be awarded in the fall at the completion of the Corn Club contest, and will be based on size of yield and cost of production. More detailed information will be supplied the contestants by county demonstration agent and county superintendent of schools.

This offer is expected to considerably increase the interest of the boys in this work. Marked improvement has already been manifested in the Corn Club work in this county. The enrollment for the year is fifty-six as opposed to eight last year. The offer of these business men is very much appreciated by those in charge of the work, and the boys, no doubt, will be equally appreciative when acquainted with the offer.

TAKES THE PLACE OF DANGEROUS CALOMEL

New Discovery! Dodson's Liver Tone Acts Like Calomel But Doesn't Gripe, Salivate or Make You Sick—Don't Lose a Day's Work—Harmless Liver Medicine for Men, Women, Children—Read Guarantee!

Ugh! Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes in contact with sour bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated, or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone tonight. Here's my guarantee—Go to any drug store and get a 50-cent bottle of Dodson's Liver Tone. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

Try 90 feet "on us"

You property owners who use house paint because it beautifies, insures, protects, wears and satisfies—because it withstands rain, cold, heat, sleet, snow and moisture—come in today and get enough paint to test ninety feet "on us" when you order enough for your house. Compare it with any other paint you know before you decide to keep it all or telephone to us to take the paint away and return your money.

Heath & Milligan
PREPARED PAINT

is a thorough mixture of the essentials that go to make a perfect paint. The formula in the hands of another paint maker, without H & M brains, would not make the paint as good. The H & M Process is exclusive. Every ounce is chafed, mixed and ground. The chafing process, at a cost of thousands of dollars a year, expels the air and displaces it with more linseed oil, to insure long life—to make the paint better—to make it wear evenly and leave a perfect surface over which to repaint in years to come. The free test we offer will show you exactly what we mean, whether you know anything about paint or not. So decide today to paint up while the spirit of clean up is in the air. Set an example in your community; others will follow. Thrift sews travels fast. Every banker knows the reason if a house needs paint and every buyer of real estate certainly thinks less of its value. We would not make this offer if we were not absolutely sure of the paint. Ask us for artistic suggestions to make your house look different from the rest. Also get color card. There is a Heath & Milligan Paint Product to meet every requirement. Every one of these products are the result of sixty-five years of painstaking paint making. They are every bit as good as the Best Prepared House Paint.
