TO THE CITIZENS OF FARMVILLE AND COMMUNITY

We wish to take this method of expressing our appreciation and thank to the town of Farmville and the Community at large for the active and co-operative interest shown and taken in the Farmville Community Fair.

The fair seems to be acclaimed a success; if this is so, it is due to the combined efforts of all of the citizens of the town and community, but more especially to the merchants and business men of the town who subscribed funds to defray the expenses of the Fair and who co-operated with the officers of the Fair in closing their doors in order that everybody might turn out and attend to Monk's Warehouse for his kindness in allowing the Fair the use of its house and grounds; to Mr. O. C. Liles, Chairman of the Arrangement and Decoration Committee, and his splendid corps of ladies from the Civic Club who with untiring zeal depicted their time and interest to the success by giving up their own and household duties and

COMING MONDAY NIGHT NOVEMBER 6TH.

This Attraction Will Play in the Pastime Theatre Building Under the Auspices of Ladies Aid Society of the Methodist Church.

The Meistersingers Male Quartet, which is announced by the Local Lyceum Committee as the next attraction to appear on the Lyceum Course, is one of the very best entertaining Male Quartets on the platform.

This Quartet has been before the public for the past ten years and has made glad the hearts of thousands of people during this time. Their program will include vocal solos, duets and quartets of both a humorous and serious nature. The Company also includes a splendid Reader, while the music rendered by them on the Organ Chimes is a novel feature, which always creates much enthusiasm. It is said that the Organ Chimes which this Company carries with them is the best in the Lyceum today.

Get Started in the Race

If you have been pondering in your mind whether to enter or not, or have not started active work in the big race yet, better do so today. Write the Contest Manager that you wish to become an active contestant and he will assist you in getting your race started. Remember this contest is but an infant as yet, and there is no candidate who has such a big start in the race that he or she cannot be overtaken. The preliminary skirmish has not even started, to say nothing of the real battle. Start your work today and get in the fray. Get a complete equipment—except books etc.—and then go out and "Engage the Enemy." Make them ransom themselves with a year's subscription or more to The Farmville Enterprise. They will do it cheerfully if you are in earnest in your race and that you intend to be a winner.

A glance at the "live" entries in the Big Contest gives certain evidence that the people are awake to the fact that a great harvest of ballots is upon to be reaped. That the crop will be abundant is now assured, but at the same time there is ample opportunity for the planter. And that is an very thing that is keeping the farmers of the line. New opportunities are opening up

world opportunities for a man with an economical car for every purpose, for his city use, business and pleasure, as well as for country touring. The contest having the biggest number of votes will be given their choice of the Ford or Fiap.

The Walworth Player Piano
It is useless to describe this well-known musical instrument, as everyone in this section is well aware of the value of it. It is made by the famous H. Schulz Piano Co., the South's greatest piano house and is sold here by the Farmville Furniture Company for \$650.00. Some express themselves as desiring the piano and others the Ford. The winner gets choice.

The Other Prizes
After the 1917 Ford Touring Car and the Walworth Player Piano has been awarded there will be a fine fifty dollar Diamond Ring, Fine Leather Receiver, on display at The Farmville Furniture Company, a fine Chest of Community Silverware on display at W. D. Fields Jewelry store and a fine Elgin Gold Watch. All very valuable and well worth trying for.
