The Enterprise to Move Into New Quarters

Ere we publish another paper we hope to be in our new home on the same street, (Wilson) but in another block. We will begin moving our plant this week to one of the new Humphrey buildings between Main and Contentnea streets, on the North side. We hope to be able to manage things so that we will not miss an issue of the paper, and we ask our patrons of the job department to be as lenient as possible until we get things going right in our new quarters.

The contest manager wishes to impress upon the minds of everybody, that, to get tickets in the Enterprise contest, they will have to call for same on day sale is made.

EVER SALVATED BY CALOMEL? HORRIBLE!

Calomel is quicksilver and acts like dynamite on your liver.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It creeps into your bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system. When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50 cents a large bottle of Dodson's Liver Tonic, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate. Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tonic straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

You Need a Tonic

There are times in every woman's life when she needs a tonic to help her over the hard places. When that time comes to you, you know what tonic to take—Cardui, the woman's tonic. Cardui is composed of purely vegetable ingredients, which act gently, yet surely, on the weakened womanly organs, and helps build them back to strength and health. It has benefited thousands and thousands of weak, ailing women in its past half century of wonderful success, and it will do the same for you. You can't make a mistake in taking

GARDUI The Woman's Tonic

Miss Amelia Wilson, R. F. D. No. 4, Alma, Ark. says: "I think Cardui is the greatest medicine on earth for women. Before I began to take Cardui, I was so weak and nervous, and did not want to get up in the morning. Now I feel like a new woman."

Has Helped Thousands.
